Hadestown: Teen Version

Address: 87 Broadway, Orangeville, ON

Hadestown: Teen Edition

By Anais Mitchell

Directed by: Jennifer Stewart

Musical Direction by: Aaron Eyre

Theatre Orangeville -Young Company

This intriguing and beautiful story delivers a deeply resonant and definitely hopeful theatrical experience. Following two intertwining love stories – that of young dreamers Orpheus and Eurydice, and that of immortal King Hades and lady Persephone – Hadestown: Teen Edition invites audiences on a boisterous journey to the underworld and back. Inspired by traditions of classic American folk music and vintage New Orleans jazz, this sung-through musical pits industry against nature, doubt against devotion, and fear against love. Hadestown: Teen Edition is a full-length adaptation of Anais Mitchell's Hadestown, modified for performance by teen actors for family audiences.
