Every year volunteer Optimist members bring fresh new lighting and exciting displays to the park. This year, they worked for several months to design, build, paint and decorate two new displays. Visitors will enjoy a giant spectacular wooden Gingerbread House accompanied by Santa's Workshop, complete with little industrious elves who hammer, saw and drill to build new toys as Santa waves from within.

It is with the generous financial donations from Sponsors of Christmas in The Park, their only fundraiser, that the Optimist Club is able to support and participate in programs that enrich the lives of youth in our community, including Family Transition Place, Scouts, Guides, High School Bursaries, Youth Empowerment Day, Bike Rodeo, Junior Golf, and much more.
