- 14.5 Engineering Services – Reconstruction of Cardwell Street and Dawson Road, INS-2023-066** 182 - 186

Recommendations:

That report INS-2023-066, Engineering Services – Reconstruction of Cardwell Street and Dawson Road, be received;

And that Council approve the transfer of funds in the amount of \$23,910.00 from Project # 31122.0000 to Project # 31121.0000

15. Notice of Motion Prior to Meeting

15.1 Councillor Prendergast - Installation of Stop Signs at Preston Drive and Parkinson Crescent

Recommendations:

WHEREAS the Town of Orangeville and Council must consider the changing needs of residents and their neighbourhoods;

AND WHEREAS neighbourhoods in the Town of Orangeville must be safe for residents who use active transportation such as walking or cycling;

AND WHEREAS Preston Drive is being used temporarily for construction purposes and will remain an emergency access point for the Avalon Long Term Care Home;

AND WHEREAS residents require safe crossing at Parkinson Crescent and Preston Drive to access the Parkinson Crescent Park, including the installation of an all-way stop and subsequent curb ramping;

AND WHEREAS the Town of Orangeville Council is authorized to approve an all-way stop on the basis of the immediate community need;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Council directs Infrastructure Services to install an all-way stop at the corner of Preston Drive and Parkinson Crescent, including the appropriate curb ramping to promote accessibility and active transportation;
2. And that the Town's Traffic By-law (2005-078) be updated to include an all-way stop at the intersection of Preston Drive and Parkinson Crescent

16. Notice of Motion at Meeting

Resolution 2023-284

Moved by Councillor Andrews
Seconded by Deputy Mayor Taylor

That the minutes of the following meetings be approved:

2023-08-14 Council Meeting Minutes

Carried Unanimously

10.1 2023-08-14 Council Meeting Minutes

11. Presentation, Petitions and/or Delegation

Resolution 2023-285

Moved by Councillor Andrews
Seconded by Councillor Stevens

That Council approve the addition of Graciela Cardenas-Mustafa, 27 Hewitt Street - Procedure By-law Amendments to the agenda at 11.8.

Carried

11.1 Kelly McDowell, 26-60 First Street, Orangeville - Dufferin Film Festival

Kelly McDowell, Executive Director, Dufferin Film Festival provided a presentation with respect to hosting Dufferin County's Film Festival August 9 - 10, 2024 and answered questions from Council.

11.2 Heather Hayes, Executive Director, Orangeville Food Bank - Annual Update for Hunger Awareness Month

Heather Hayes, Executive Director, Orangeville Food Bank thanked Council for the recent commitment of funding the Orangeville Food Bank with \$25,000 annually for this term of Council. Ms. Hayes spoke to the increase in the use of the Orangeville Food Bank, result of the fall and winter months, the vending machine of food for \$0.25 at Town Hall, the launch of the Neighbours Market in Shelburne and Grand Valley, and the need for temperature controlled space in Orangeville. Ms. Hayes expressed the need for financial assistance, high demand food items, suggested placing a team in the upcoming Out of the Cold event, and answered questions from Council.

11.3 Rob Howes, 12 Dawson Road, Orangeville Towing & Recovery Services - Towing Services and Vehicle Storage Yard Facility By-law Update

Rob Howes, 12 Dawson Road, Orangeville Towing & Recovery Services thanked Deputy Mayor Taylor for supporting Towing Services in the Town. Mr. Howes spoke to the Town's Towing Services and Vehicle Storage Yard Facility By-law and issues with it and requested a refund of costs due to the Towing Services and Vehicle Storage Yard Facility By-law expiring at the end of the year.

Zach Cameron, Cameron Services requested the Towing Services and Vehicle Storage Yard Facility By-law be repealed immediately and to receive a refund of the costs incurred.

11.4 Ian McSweeney, Orangeville Police Services Board Member - Orangeville Police Services Board Update

Ian McSweeney, Orangeville Police Services Board (OPSB) spoke to the OPSB's new governance framework, adoption of industry best practices, highlighted policies most directly impacting Town Council, next steps for collaboration with Town Council, and answered questions from Council.

11.5 John Naas, Partner, Blackline Consulting and Abdel Al-Sharif, Engagement Manager, Blackline Consulting - Organizational Review

John Naas, Partner, Blackline Consulting provided a presentation with respect to the ongoing Organizational Review and spoke to the scope of the review, Blackline Consulting's approach, the timeline, provided initial observations relating to operating expenses, workforce expenses, staff survey results, provided details on the final steps of the process, and answered questions from Council.

11.6 Ric Ugolini, 19 Cedar Drive - Procedure By-law Amendments

Ric Ugolini, 19 Cedar Drive thanked staff for removing the dead trees in Rotary Park and expressed concern with the recommendation listed at item 12.3 to remove question period from the Council agenda.

11.7 Noel Ramsey, 15 Fead Street - Procedure By-law Amendments

Noel Ramsey, 15 Fead Street expressed opposition to item 12.3 - Procedure By-law Amendments and requested Council to keep question period on the Council Agenda.

11.8 Graciela Cardenas-Mustafa, 27 Hewitt Street - Procedure By-law Amendments

Graciela Cardenas-Mustafa, 27 Hewitt Street expressed concern with the removal of the question period and the importance of maintaining public question period.

Note: Council recessed from 8:28 p.m. to 8:40 p.m.

12. Staff Reports

Mayor Post introduced Patrick Kelly, Treasurer and welcomed him to the Town.

12.1 Community Grant Update, CPS-2023-068

Resolution 2023-286

Moved by Councillor Stevens

Seconded by Deputy Mayor Taylor

That report CPS-2023-068, Community Grant Update, be received,

And that Council approve distribution of 2023 Community Grant budgeted funds to the Dufferin Film Festival for \$500 from one time grants;

And that Council approve distribution of 2023 Community Grant budgeted funds to the Terry Fox Foundation for \$400 from one time grants.

Carried Unanimously

Resolution 2023-287

Moved by Councillor Andrews

Seconded by Councillor Sherwood

That report CPS-2023-058, Delegation of Authority, be received;

And that Council pass a by-law to amend By-law 2022-075, the Delegation of Authority By-law.

Carried Unanimously

12.3 Procedure By-law Amendments, CPS-2023-049

Resolution 2023-288

Moved by Deputy Mayor Taylor
Seconded by Councillor Prendergast

That report CPS-2023-049, Procedure By-law Amendments, be received;

And that Council pass a By-law to amend By-law 064-2017 being a By-law to govern the proceedings of Council and its Committees including amendments to quorum requirements for committees, consent agenda, and replacement of new business, as outlined in report CPS-2023-049;

And that Question Period be placed prior to Presentation, Petitions and/or Delegations on the Council agenda.

Carried Unanimously

12.4 Proposed Increase to Set Fines for Parking and Fire Route By-law Housekeeping Amendment, CPS-2023-059

Resolution 2023-289

Moved by Councillor Macintosh
Seconded by Councillor Stevens

That report CPS-2023-059, Proposed Increase to Set Fines for Parking and Fire Route By-law Housekeeping Amendment, be received;

And that Council approve the recommended increases to set fines for parking in relation to the Traffic By-law 2005-078 and the Fire Route By-law 2019-011, as amended;

And that the current set fines for parking remain in effect until the proposed set fines have been approved by the Ontario Court of Justice;

And that Council repeal Schedule M of Traffic By-law Number 2005-078, effective once set fine approval has been received;

And that Council amend Fire Route By-law 2019-011 to remove the requirement that authorized signage for a designated fire route is to display the by-law number.

Carried Unanimously

**12.5 Towing Services and Vehicle Storage Yard Facility
By-law Update, CPS-2023-066**

Resolution 2023-290

Moved by Deputy Mayor Taylor
Seconded by Councillor Prendergast

That report CPS-2023-066, Towing Services and Vehicle Storage Yard Facility By-law Update, be received;

And that Towing Services and Vehicle Storage Yard Facility By-law 2022-079 be amended to exempt applicants from the provisions of the By-law if a provincial certificate issued under the *Towing and Storage Safety and Enforcement Act (TSSEA)* has been obtained and is provided to the satisfaction of the Licence Issuer;

And that Towing Services and Vehicle Storage Yard Facility By-law 2022-079 be repealed effective December 31, 2023;

And that staff report back to Council, should there be changes made to the timelines relating to the provincial certificate program, pursuant to the TSSEA.

Carried Unanimously

12.6 Municipal Collaboration – Uniform Vehicle for Hire By-law, CPS-2023-067

Resolution 2023-291

Moved by Councillor Andrews
Seconded by Councillor Prendergast

That Report CPS-2023-067, Municipal Collaboration – Uniform Vehicle for Hire By-law, be received;

And that Council pass a By-law to authorize the entering into and execution of Service Agreements with each of the Town of Grand Valley, Town of Mono and Town of Shelburne for the purpose of providing Licensing Administration and By-law Enforcement services of a Vehicle for Hire By-law.

Carried Unanimously

13. Correspondence

Resolution 2023-292

Moved by Councillor Andrews

Seconded by Councillor Prendergast

That the following correspondence be received:

Ministry of Municipal Affairs and Housing - Building Faster Fund

Ministry of Municipal Affairs and Housing - Proposal to Return Lands in Ajax to the Greenbelt

Town of Caledon - Notice of Public Open Houses and Statutory Public Meeting and Request for Comments - Caledon's Draft Official Plan

Township of Melancthon - Changes to MFIPPA

Township of Melancthon - Illegal Land Use Enforcement Update

Brenda and Lino Chioma, Wardlaw Ave - Procedure By-law Amendments

Peggy Bond, 18 Goldgate Cres - Procedure By-law Amendments

Carried Unanimously

13.1 Ministry of Municipal Affairs and Housing - Building Faster Fund

13.2 Ministry of Municipal Affairs and Housing - Proposal to Return Lands in Ajax to the Greenbelt

13.3 Town of Caledon - Notice of Public Open Houses and Statutory Public Meeting and Request for Comments - Caledon's Draft Official Plan

13.4 Township of Melancthon - Changes to MFIPPA

13.5 Township of Melancthon - Illegal Land Use Enforcement Update

13.6 Brenda and Lino Chioma, Wardlaw Ave - Procedure By-law Amendments

13.7 Peggy Bond, 18 Goldgate Cres - Procedure By-law Amendments

14. Committee/Board Minutes

Resolution 2023-293

Moved by Councillor Sherwood
Seconded by Councillor Stevens

That the minutes of the following meetings be received:

2023-05-25 Sustainable Orangeville Minutes

2023-06-07 Sustainable Orangeville Minutes

Carried Unanimously

14.1 2023-05-25 Sustainable Orangeville Minutes

14.2 2023-06-07 Sustainable Orangeville Minutes

15. Notice of Motion Prior to Meeting

None.

16. Notice of Motion at Meeting

None.

17. New Business

Councillor Prendergast invited the public to join in on a tree planting event Saturday, October 14, 2023 hosted by Sustainable Orangeville and CVC.

Mayor Post advised the International Plowing Match will be held at the Bowling Green in Amaranth from September 19-23, 2023 and that the Campfire Poets will be performing at the same location Saturday, September 16, 2023.

Mayor Post further advised that the next Town Hall event will be hosted September 26, 2023 at Tony Rose Memorial Sport Centre starting at 6:30 p.m. and the main topics of discussion will be relevant to seniors, recreation, libraries, programs available for seniors and advised that there will be an open question period.

18. Question Period

Noel Ramsey, 15 Fead Street thanked Council for preserving question period and suggested another Question Period at the end of the meeting. Mr. Ramsey expressed concern with parking in school zones and a lack of coordination between Orangeville By-law Enforcement and the Ontario Provincial Police (OPP). Mayor Post spoke to By-law Enforcement and OPP's recent school blitz initiative and the number of tickets issued in the first two days of school. Deputy

Mayor Taylor advised that the Town has partnered with the OPP and that the OPP is committed to sending officers to assist when available.

James Jackson, 50 Carlton Drive expressed concern regarding accessibility at the Orangeville Transit Hub, concerns with respect to sidewalks, and the need for a path to the Edelbrock Centre. Tim Kocialek, General Manager, Infrastructure Services advised that staff will follow up with the County to see if there is an opportunity to develop a walkway. Deputy Mayor Taylor asked why there was not a curb on the one side of the road near the Edelbrock Centre. Mr. Kocialek advised staff will investigate and determine whether the construction of the curb may need to wait until the road is reconstructed.

Matthew Smith, 38 McCarthy Street asked if there was a previous design option for the Transit Terminal that included a walkway to the Edelbrock Centre. Tim Kocialek, General Manager, Infrastructure Services advised he would follow up with staff regarding design options. Mr. Smith asked where the desire to amend the procedure by-law came from. Carolina Khan, Clerk spoke to the intent of streamlining the decision-making process at Council meetings.

Ric Ugolini, 19 Cedar Drive asked if there is an opportunity for by-law enforcement to do proactive enforcement, instead of complaint driven. Carolina Khan, Clerk advised that parking and graffiti matters are enforced proactively and spoke to the need to change service levels in order to broaden the scope of proactive enforcement.

Edith Baker, 27 First Street expressed road safety concerns at the corner of First Street and Elizabeth Street and asked if there could be a turning lane added to Elizabeth Street. Tim Kocialek, General Manager, Infrastructure Services advised that staff are working on completing a master plan for the Town's road network in 2024 to assess future traffic demands and create a capital project program.

19. By-Laws

Resolution 2023-294

Moved by Councillor Andrews

Seconded by Councillor Prendergast

That the by-laws listed below be read three times and finally passed:

A by-law to amend By-law 2022-075 being a By-law to delegate certain powers and duties under the Municipal Act, 2001, S.O. 2001, c.25

A by-law to amend By-law 2017-064 being a by-law to govern the proceedings of Council and its Committees

A by-law to amend By-law 2019-011 being a By-law to designate and regulate fire routes

A by-law to amend By-law 2022-079 being a By-law to regulate and license towing services operators, tow truck drivers and vehicle storage yard facilities

A by-law to authorize the entering into and execution of Service Agreements with each of the Town of Grand Valley, Town of Shelburne, and Town of Mono for providing Licensing Administration and By-law Enforcement Services of a Vehicle for Hire By-law

A by-law to confirm the proceedings of the Council of The Corporation of the Town of Orangeville at its regular Council Meeting held on September 11, 2023

Carried Unanimously

19.1 A by-law to amend By-law 2022-075 being a By-law to delegate certain powers and duties under the Municipal Act, 2001, S.O. 2001, c.25

19.2 A by-law to amend By-law 2017-064 being a by-law to govern the proceedings of Council and its Committees

19.3 A by-law to amend By-law 2019-011 being a By-law to designate and regulate fire routes

19.4 A by-law to amend By-law 2022-079 being a By-law to regulate and license towing services operators, tow truck drivers and vehicle storage yard facilities

19.5 A by-law to authorize the entering into and execution of Service Agreements with each of the Town of Grand Valley, Town of Shelburne, and Town of Mono for providing Licensing Administration and By-law Enforcement Services of a Vehicle for Hire By-law

19.6 A by-law to confirm the proceedings of the Council of The Corporation of the Town of Orangeville at its regular Council Meeting held on September 11, 2023

20. Adjournment

Resolution 2023-295

Moved by Councillor Stevens
Seconded by Councillor Macintosh

That the meeting be adjourned at 9:35 p.m.

Carried Unanimously

Lisa Post, Mayor

Town of Orangeville: Pavement Management Update

Derek Currie, Manager, Capital Works
Infrastructure Services

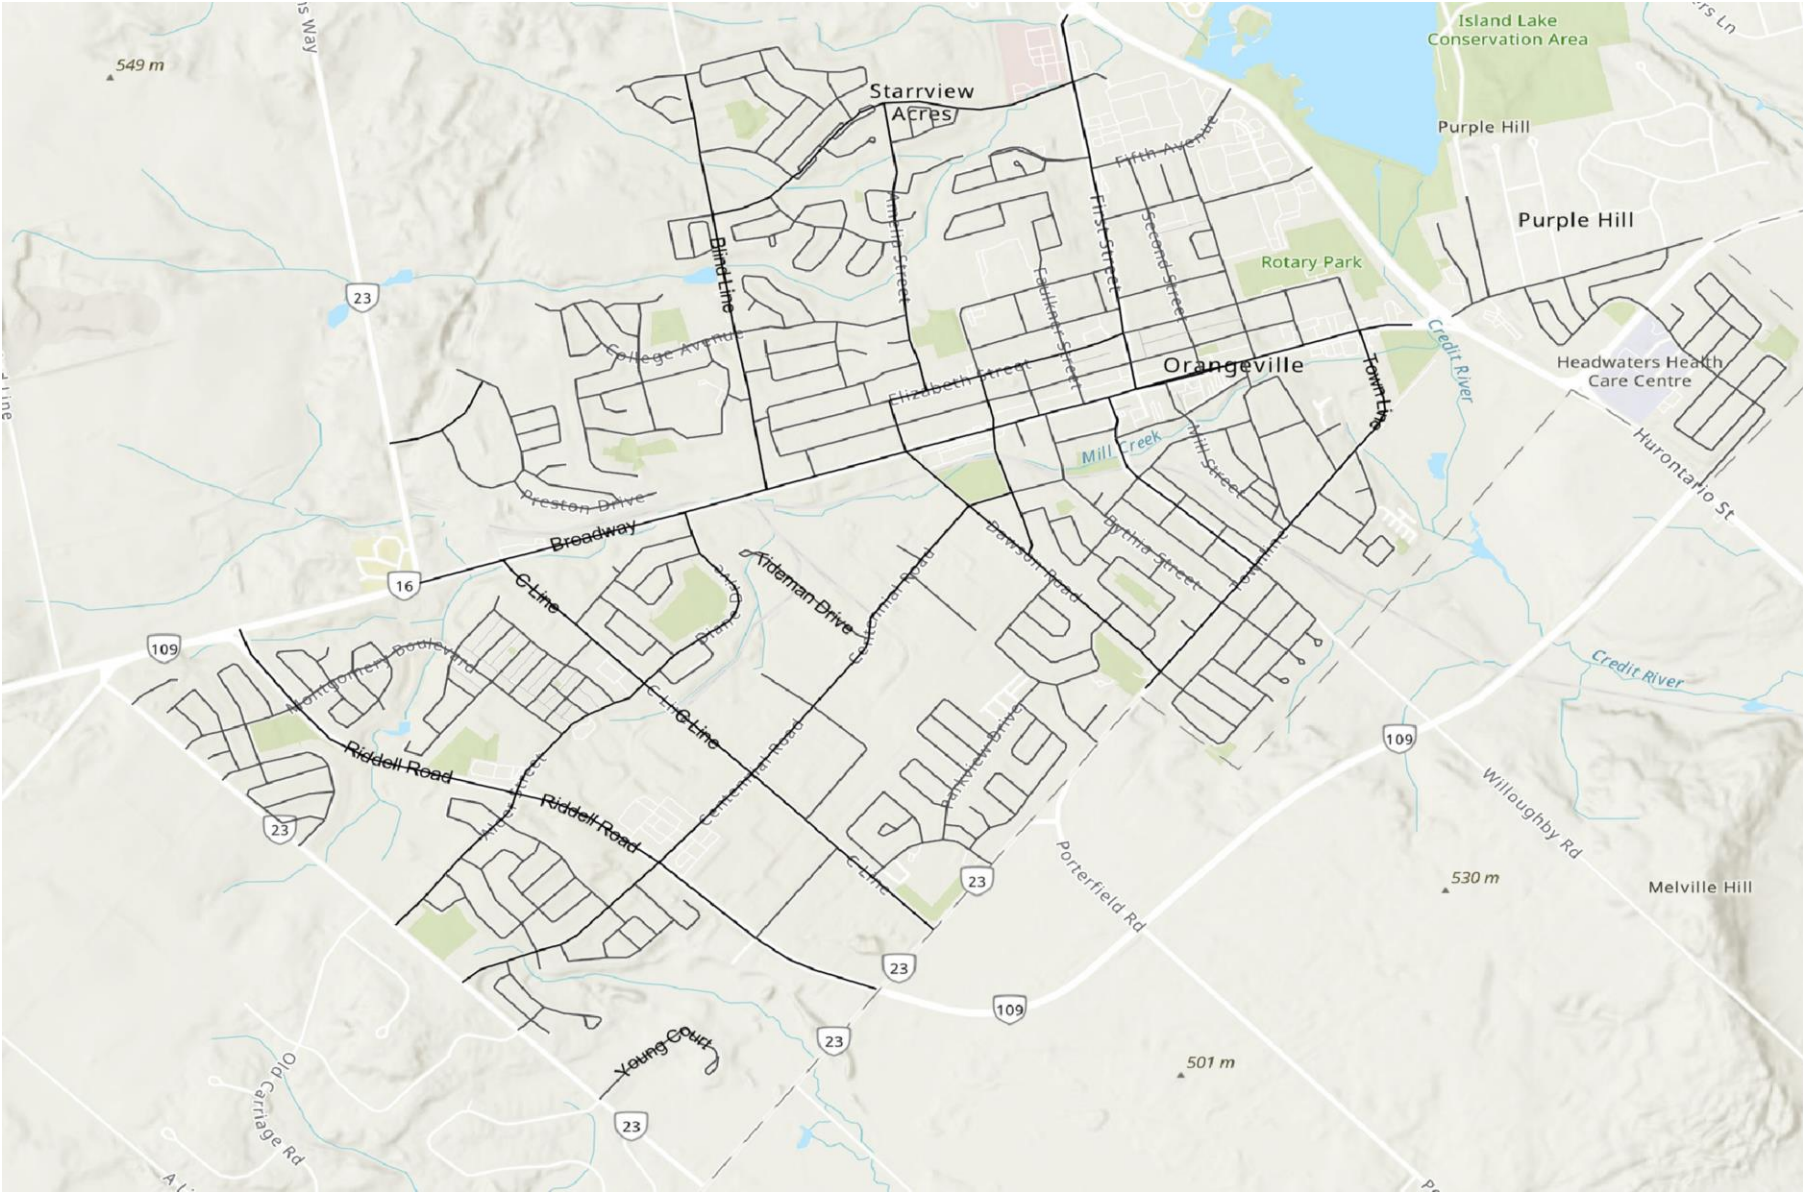

Goals and Objectives

- Pavement Management
- Road Network Asset Management
- Present a funding investment opportunity to preserved and maintained the Town's Road Network

Asset Management Principles

- What do we own?
- What condition is it in?
- What do we need to do to keep it in good condition?
- When do we need to do it?
- How much will it cost?

What do
we own?

Facts regarding Orangeville Roads

- The Town of Orangeville maintains approximately 125 centre lane km's of arterial, collector and local roads
- The replacement value of these roads is approximately \$305 million
- The Town has a robust road reconstruction program.
- Currently, the Town does not have a dedicated road resurfacing program.
- The road network is growing on an average of 3 - 5% per year.

What Condition is it in?

- Roads are measured by Pavement Condition Index (PCI)
- 2020 Road Condition Survey identified 46% of the Town's roads were in need of repair. Only 31% of the Town's roads were in need of repair as of the 2015 survey.
- Updated Road Survey is currently being completed. Results are due in October

Pavement Condition Index

Very Good		86 - 100
Good		71- 85
Fair		56 - 70
Poor		41 - 55
Very Poor		26 - 40
Serious		11 - 25
Failed		0 - 10

Very Good PCI 80 and over

- Pavement is in very good condition with very smooth ride
- Slight surface deformation distresses
- No visible surface defects or cracking distresses

Good

PCI 70 – 80

- Pavement is in good condition with smooth ride
- Slight to moderate surface deformation distresses
- Slight to moderate intermittent surface defects and/or cracking distresses

Fair

PCI 60 – 70

- Pavement is in fair condition with acceptable ride
- Intermittent to frequent surface defects and/or cracking distresses
- Localized alligator cracking may be present

Poor PCI 0 to 60

- Pavement is in poor condition with uncomfortable ride
- Frequent to extensive bumps with frequent to extensive surface defects and/or cracking distresses
- Frequent slight to moderate alligator cracking may be present

What Condition is it in?

Road Reconstruction Needs

- 24 road segments identified in 2020 Road Network Study still need work
- 5 segments not identified on 10-year Capital Plan
- 10.7-million dollar funding gap

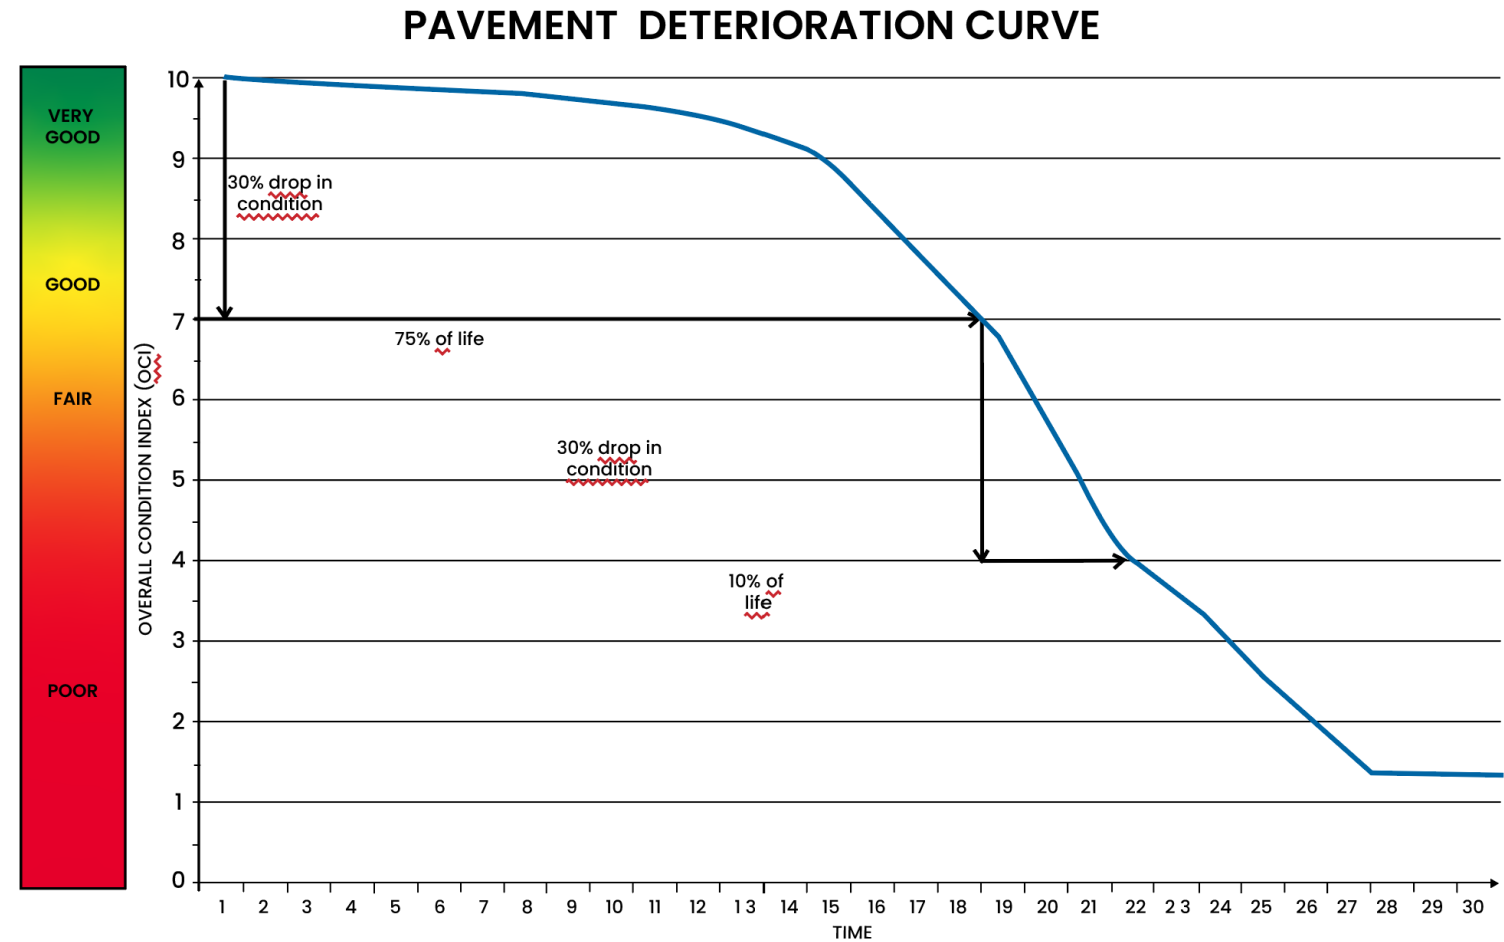

Road Resurfacing Needs

- 117 road segments identified in 2020 RNS still need work
- 99 segments not identified on 10-year Capital Plan Reduction
- 22.4-million dollar funding gap

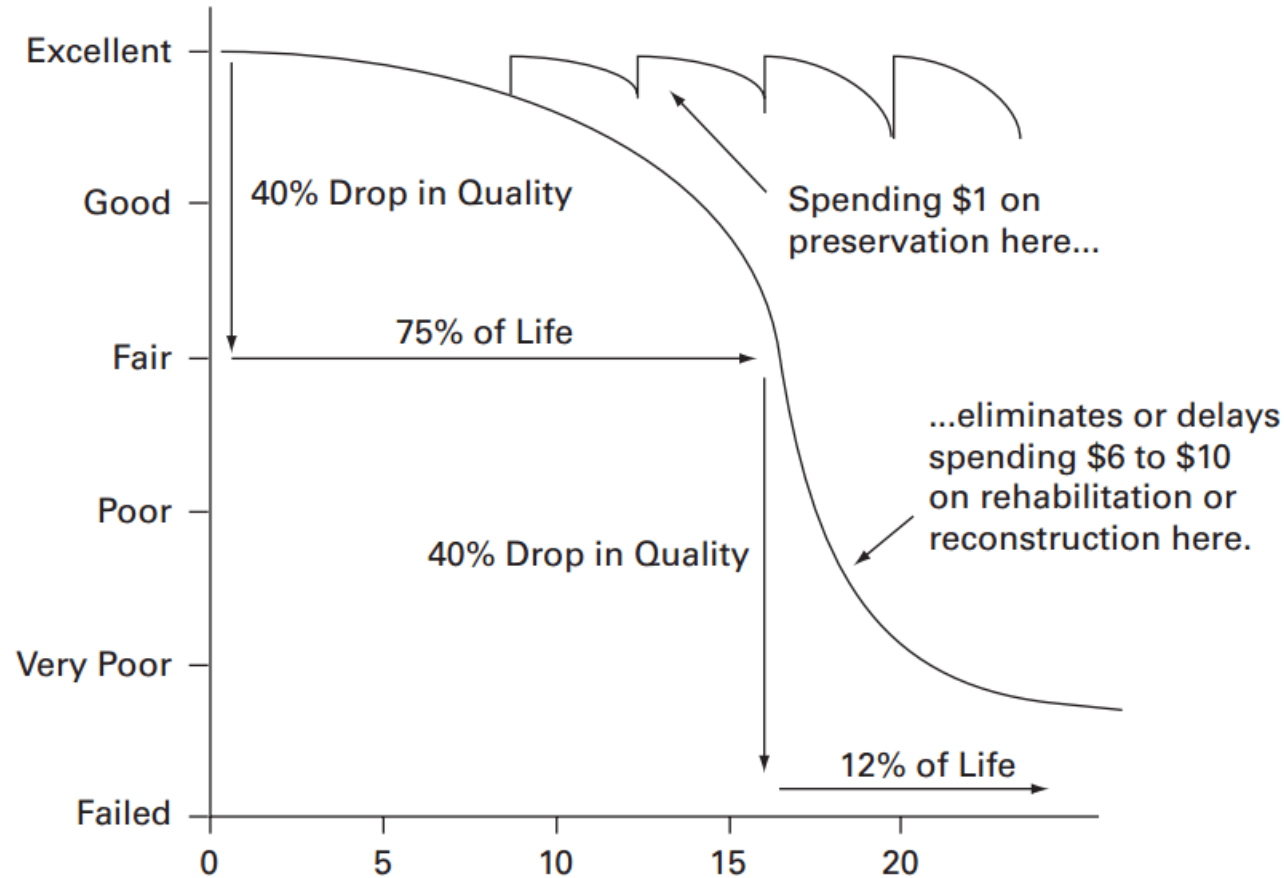

How do we maintain our roads?

- Pavement typically deteriorates non-linearly; depends on age, maintenance, unique conditions and use

How do we maintain our roads?

The key is to do the right treatment at the right time

How should we maintain our roads?

- Year 1 – 20: General maintenance, such as patching, curb replacement and catch basin repairs
- Year 20 – 40: single or double lift resurfacing
- Year 40 – 60: Double lift resurfacing and/or structural repairs
- Year 60 and on: Full Road reconstruction

How much funding to we need?

- Current needs analysis has identified, in 2023 dollars, a funding gap of 10.7 million for road reconstructions and 22.4 million for road resurfacing.
- At \$70 per square meter for resurfacing as opposed to \$575 for road reconstruction.
- The best value for the Towns dollars is to invest in road resurfacing, rather than road reconstruction.
- Current funding initiatives for road reconstructions should remain the same.

How much funding to we need?

- The proposed funding for a dedicated road resurfacing program

Year	Funding
2024	\$1,500,000.00
2025	\$1,500,000.00
2026	\$1,500,000.00
2027	\$1,500,000.00
2028	\$1,750,000.00
2029	\$1,750,000.00
2030	\$1,750,000.00
2031	\$1,750,000.00
2032	\$1,750,000.00
2033	\$2,000,000.00

Why we should put a crosswalk on Dawson road, NE of Centre Street

BY: ANTHONY ZAMBITO

Dawson Street at Centre Street

- A three way Intersection
- Residential neighbourhood
- Located right in between a Catholic elementary school and a Catholic Parish.

Traffic Concerns

- Cars
- School Children going to and from school Monday to Friday.
 - Are crossing guards
- Mass and church-related events.
- School children crossing the street for religious retreats.

DAWSON RD

CENTRE ST

Parking

Church

School

Benefits of a pedestrian crosswalk

- It will give the Orangeville OPP a chance to ticket motorists and generate revenue for our spend-heavy government.
- According to crosswalksafety.ca, in 2006, 42 percent of pedestrian fatalities occurred on roads without proper crosswalks.
- Motor Vehicles are quieter now than ever before, and pedestrians could be distracted (phone, listening to music, etc).
- Incentivize parents to bring their young children to mass.

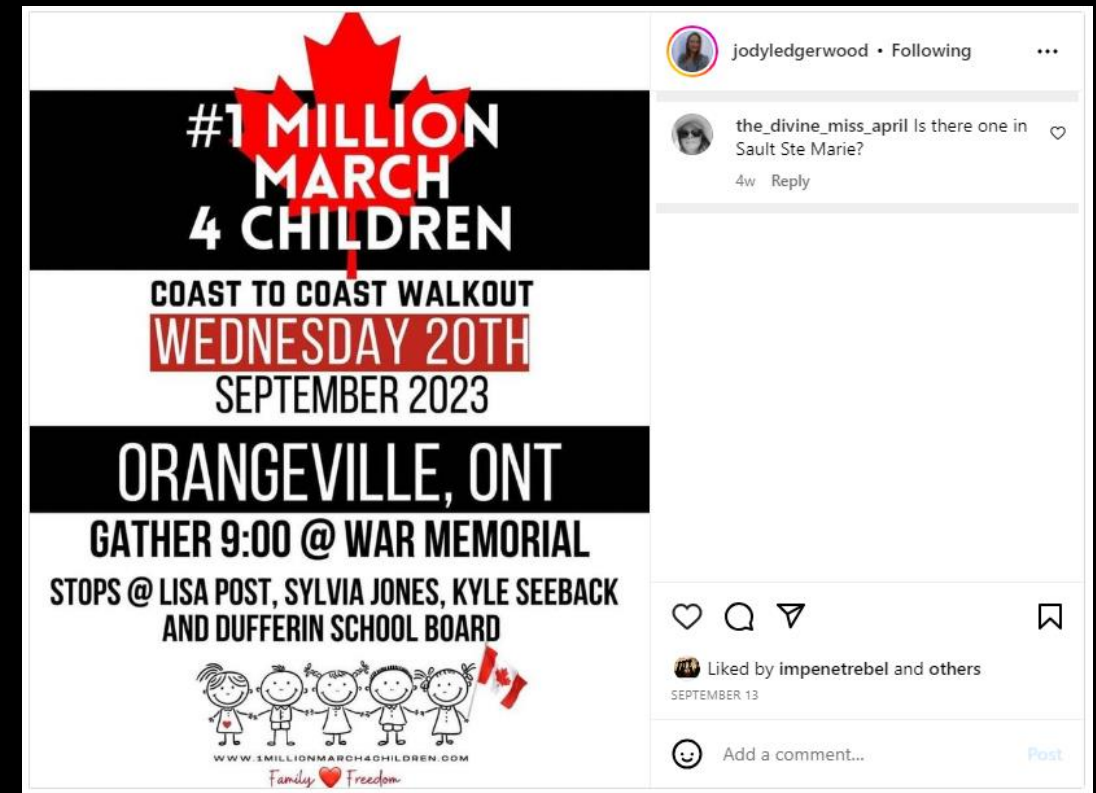

Orangeville's #1 Million March 4 Children: a recap

Anthony Zambito

What was the #MillionMarch4Children?

- According to 1millionmarch4children.squarespace.com: “Uniting diverse backgrounds and faith, we share a resolute purpose: advocating for the elimination of Sexual Orientation and Gender Identity (SOGI), pronouns, gender ideology, and mixed bathrooms in schools.
- Organizers suggested that parents pull their kids from school on September 20th, and participate in one of many marches happening across the country.
- Organizers started planning this nationwide “March” as early as August 25th

Board Meeting, Wednesday, September 27, 2023

Two Spirit & LGBTQIA+ Action Plan

Cis-sexism

The belief or assumption that cis people's gender identities, expressions, and embodiments are more natural and legitimate than those of trans people

Overview

Recommendation:

That the Two Spirit & LGBTQIA+ Action Plan, as attached as Appendix 1, be approved.

Highlights:

The vision behind the Two Spirit & LGBTQIA+ Action Plan is to dismantle homophobia, transphobia, biphobia, and other forms of oppression created by cis heteronormativity within the education system to ensure that Two Spirit & LGBTQIA+ students and staff can be their authentic selves in a safe and supportive environment.

Devon A Thompson ✓
@truedevonthomps

What's concerning about this action plan, is that it views heterosexuality as an opposing force to the LGBTQ+ community.

It seems to insinuate that the existence of heterosexuality as a majority occurrence in children, means that LGBTQ+ children AND adults will never fit in.

They are saying, that to promote heterosexuality, is to promote homophobia, transphobia, biphobia, etc.

Cisnormativity

A discourse based on assumption that cisgender is the norm and privileges this over any other form of gender identity.

Heteronormativity

An assumption that heterosexuality is the norm and privileges this over any other form of sexual orientation

The Lefty Liberal Reaction

Billboard Chris  
@BillboardChris

Reps from 130 unions across Canada held a Zoom call yesterday.

They're organizing counter-protests so they can fight back against those of us who don't want to sterilize kids.

They repeatedly call us fascists and nazis and all the usual hyperbolic nonsense.

These people represent every union in Canada.

4 million Canadians are paying for this through their union dues.

Some crazy lady starts talking about our last protest in Ottawa at the 34-minute mark.

Here is the Ontario Federation of Labour's email to members, helping them organize counter-protests for the various marches across Canada on the 20th, and my school protest in Toronto on September 22nd.

Thank you for RSVPing to say there is no space for hate in Ontario, and to those of you that were able to join the strategy and organizing call this morning.

Here are a few resources that we shared this morning, and that can help you and your organization plan for a safe event on September 20, 2023 and the days that follow:

Resources:

- Anti-hate Rapid Response
- Safe Protest: A Guide to Your Rights
- Safe Protest: A Guide to Your Rights (FR)
- Safety Tips for 2SLGBTQIA+ Youth
- Know Your Rights
- Safety Plan Checklist
- Pride and Safety Toolkit
- Guide for Pride Defenders
- Guide For Pride Defenders Handout (ABRIDGED VERSION)
- Confronting and Preventing Hate in Canadian Schools

For Support:

- LGBT National Hotline:

This Wednesday across the country anti-LGBTQ groups have planned events to protest 2SLGBTQ+ inclusion in schools under the guise of "protecting children."

We see what has been going on in the US, and now that hate has come to Canada. Let's drown it out with our voices and bodies by attending the counterprotest. Here's the link to the Ontario Federation of Labour site that is organizing counter protests across Ontario:

September 20 at 12:48 PM · 🌐

Large turnout for #1MillionMarch4Children March in Orangeville.

It's a shame that people can't voice their opinions on how their children should be educated with being labeled as <fill in the blank>. Some say don't hate and then hate those that don't agree with them.

It was very peaceful. Police kept an eye on it. I asked the undercover OPP (grey car in video) why he was not in a marked car. He said he didn't know, it was just the one assigned to him. Read into that what you will.

If the focus was on education and not indoctrination of viewpoints or opinions, I

Jeremy D Williams

September 20 at 12:48 PM · 🌐

If the focus was on education and not indoctrination of viewpoints or opinions, I can't help but think we would all be better off. Teachers (who I respect greatly) hopefully can take from this the desire of many parents to remain neutral with their students. Sadly many don't.

Respect of viewpoints of life must go both ways otherwise we aren't truly living in a free and open democracy.

And before those with an agenda start dumping on me for this post, I'm not part of the March. But I am capable of listening to their concerns.

NEWS

Orangeville protest part of national march against 'gender ideology' in schools

School board condemns 'non-peaceful, violent or aggressive actions' of some protesters

By Orangeville Banner

Wednesday, September 20, 2023 | ⌚ 1 min to read

🕒 Article was updated Sep 22, 2023

Protesters decrying what they call “gender ideology” in schools descended on downtown Orangeville as part a nation-wide movement calling itself “1 Million March 4 Children.”

Demonstrations were planned in cities across Canada, including in Orangeville. Counterprotests were likewise planned throughout the country.

Dufferin Ontario Provincial Police said it had officers staggered along the march route, which saw traffic clogged on Broadway Wednesday, Sept. 20 morning, as people made their way to the planned stops at town hall, the local constituency offices of MPP Sylvia Jones and MP Kyle Seebach, as well as the Orangeville office of the Upper Grand District School Board (UGDSB) nearby on Amelia Street.

OPP media officer Terri-Ann Pencarinha said the provincial liaison team was also on hand working with those involved in order to minimize the impact on commuters and to ensure order and public safety.

Pencarinha said the protest was peaceful, and there was no police involvement beyond what was mentioned above.

However, a slightly different picture was painted by the public school board, which reported people pounding on windows, yelling for officials to come outside and Pride flags and supporting signs being ripped up.

The protests have been described as opposing sexualization and indoctrination of children at school, but those who counter the movement say it has also included significant misinformation about what is actually being taught at school.

Locally, the protest was met with statements denouncing the rhetoric ahead of the protests.

In a joint statement, Dmytro Basmat, president of Youth Activists Inc., and Julia Bertola, founder of Caledon PRIDE, said they were united in defending against what they termed “dangerous and discriminatory rhetoric from affecting students.”

“The movement continues to push disproven and discriminatory views that promote a culture of intimidation directed towards trans and LGBTQ+ students,” the statement reads.

10/16/2023

CANADA'S PREMIER YOUTH SOCIAL ADVOCACY ORGANIZATION

Founded in February 2019, Youth Activists Inc. continues to embark on a variety of youth social advocacy campaigns, ranging from **Human Trafficking, LGBTQ2+ advocacy, the illegal invasion of Ukraine** and beyond. Youth Activists Inc. regularly comments on youth social issues in the media, being regularly quoted in publications like the Toronto Star, Mississauga News, and Brampton Guardian.

“The movement continues to push disproven and discriminatory views that promote a culture of intimidation directed towards trans and LGBTQ+ students,” the statement reads.

Following the protest, a statement was issued by UGDSB chair Ralf Mesenbrink and director of education Peter Sovran, saying they stand in solidarity with the 2SLGBTQIA+ community, and that they will not tolerate hate directed toward them.

UGDSB spokesperson Heather Loney said apart from seeing protesters pounding on windows and damaging Pride supporting signs, staff also witnessed protesters intimidating and yelling at a group of counterprotesters across the street.

And at Princess Elizabeth Public School, protesters walking by started banging on windows and yelling profanities, she said.

The Banner was not able to independently verify this information.

The board statement condemned the “non-peaceful, violent or aggressive actions of some of the protesters witnessed on school board grounds.”

“We will not tolerate this behaviour, or any behaviour meant to intimidate our students, staff and school communities.”

Hello Mr Mesenbrink

Can you please follow up with the communications team?

Perhaps you can follow up directly with Communications Manager Heather Loney. On September 20th, the Orangeville Banner published an article. In it, Mrs Loney "said apart from seeing protesters pounding on windows and damaging Pride supporting signs, staff also witnessed protesters intimidating and yelling at a group of counterprotesters across the street."

My updated list of questions for the UGDSB are below:

- 1) Was the school put in lockdown because of the march? What steps were taken to ensure student safety at the time of the march?
- 2) Have parents been notified of this incident? If so, how?
- 3) Were the police notified? Were reinforcements needed?
- 4) Was the OPP on scene to make arrests? If so, why were no arrests made? How come no charges were filed?
- 5) Is there video evidence to back up these claims? If so, when will it be released to the public?
- 6) What evidence did Mrs Loney observe before making that statement?

Up to this date, the Orangeville Banner has not been able to independently verify this story. Citizens of Orangeville are questioning the validity of the UGDSB's claims.

If you could please respond by noon, Friday October 6th, that would be great.

Thanks,

Anthony Zambito

Incomplete	2023-246 Moved: Deputy Mayor Taylor Seconded: Councillor Macintosh That staff investigate the possibility of a 5.75 metre, versus a 6 metre, reconstruction of Church Street; And that staff be authorized to reduce the width of the road to 5.75 metres, if deemed feasible by the General Manager of Infrastructure Services. Result: Carried Unanimously	7/10/2023 18:30	
Incomplete	Staff to report to Council with respect to additional funding required for the Hansen Blvd Bridge - Lower Monora Creek capital project.	7/10/2023 18:30	
Incomplete	Staff to report to Council with respect to additional funding required for the GUDI Well Treatment Upgrades capital project.	7/10/2023 18:30	
Incomplete	Staff to report to Council with respect to additional funding required for the Dudgeon Reservoir Structure Inspection capital project.	7/10/2023 18:30	
In Progress	2023-268 Moved: Councillor Andrews Seconded: Councillor Stevens That report CMS-2023-033, Fire Service Agreements, be received; And that Council adopt the fee structure as outlined in report CMS-2023-033, Fire Service Agreements; And that Council authorize the Mayor and Clerk to execute a four (4) year Amendment to Agreement with each of the Town of Mono, the Township of Amaranth and the Township of East Garafraxa to provide fire services, as attached to report CMS-2023-033, Fire Service Agreements. Result: Carried Unanimously	8/14/2023 17:30	Sent to Clerks to execute

Council Meeting Tasks			
Updated as of: August 30, 2023			
Status	Description	Meeting Date	Comments
Incomplete	2023-276 Moved: Councillor Prendergast Seconded: Councillor Macintosh That report CPS-2023-062, Community Grant Update, be received. And that Council approve distribution of 2023 Community Grant budgeted funds to the Headwaters Communities in Action (for HFFA) for \$1,000 from one time grants, And that Council approve distribution of 2023 Community Grant budgeted funds to Parkinson Canada Inc. for \$739 from one time grants, And that Council approve distribution of 2023 Community Grant budgeted funds to Gotta Run Racing of \$2,000 from one time grants. Result: Carried Unanimously	8/14/2023 17:30	
Incomplete	2023-280 Moved: Councillor Prendergast Seconded: Councillor Stevens Whereas kite fighting is a sport in which participants aim to cut the kite string and fell the opponents kite; And whereas kite lines are often composed of metal, wire, piano wire, fishing line or nylon that can be chemically treated and coated in crushed glass; And whereas kite fighting is an environmentally destructive sport with kites and hazardous lines being abandoned and disregarded after game play; And whereas the Town of Orangeville has a responsibility to protect the natural environment from unnecessary and purposeful litter and destruction of property; Now therefore be it resolved that Council direct staff to report back on prohibiting Kite Fighting within the Town of Orangeville to prevent further willful destruction to municipal and private property. Result: Carried Unanimously	8/14/2023 17:30	
Incomplete	2023-269 Moved: Councillor Prendergast Seconded: Deputy Mayor Taylor That report INS-2023-052, Boulevard Tree Inventory and Tree Canopy Assessment, be received; And that Council direct staff to solicit input from the public regarding tree preservation measures; And that Council direct staff to investigate the resources and logistics necessary to implement a tree preservation by-law; And that Council direct staff to report back with a framework for the development of a tree preservation by-law that includes community input; And that Council direct staff to report back with an additional allocation of \$80,000 in the 2024 Budget deliberations to achieve the urban tree canopy target of 40% by 2040; And that Council direct staff to investigate industry best practices with respect to pruning and maintenance of the existing tree canopy. Result: Carried Unanimously	8/14/2023 17:30	
Incomplete	2023-265 Moved: Councillor Macintosh Seconded: Councillor Stevens That report INS-2023-051, Sewer Line Warranty Program, be received; And that Council direct staff to enter into discussions with Service Line Warranties of Canada (SLWC) for the purpose of entering into an agreement with the vendor for the purpose of offering warranty protection for water, sanitary and storm services to the residents of Orangeville; And that staff report back to Council with the progress on those discussions at a later Council meeting in the fall of 2023. Result: Carried Unanimously	8/14/2023 17:30	
Incomplete	2023-271 Moved: Councillor Andrews Seconded: Councillor Prendergast That report INS-2023-053, Transit Update, be received. Result: Carried Unanimously	8/14/2023 17:30	
Incomplete	2023-274 Moved: Deputy Mayor Taylor Seconded: Councillor Macintosh That report CPS-2023-050, Budget 2024 Schedule and Direction, be received; And that Council endorse receiving a 5-year budget outlook for Operating Budget and a 10-year budget outlook for Capital Budget deliberations; And that Council approve a cost-of-living allowance of 2.5% as a guideline to report a budget for non-union staff salaries in the proposed 2024 budget; And that Council approve an additional \$700,000 to bring the 2024 contribution to the capital Budget from \$2.8M to \$3.5M and annual incremental increases of 2% subject to review after the completion of the Towns Asset Management Plan. Result: Carried Unanimously	8/14/2023 17:30	

Subject: Town of Orangeville Pavement Management Program

Department: Infrastructure Services

Division: Capital Works

Report #: INS-2023-058

Meeting Date: 2023-10-16

Recommendations

That report INS-2023-058, Town of Orangeville Pavement Management Program, be received.

Background and Analysis

The Town of Orangeville has 125 centre lane kilometres (km) of roads with a replacement value of 305 million dollars. An investment this important should be carefully preserved and maintained for the residents of Orangeville. Sound asset management practices not only aligns with the Strategic goals of the Town, but also in the long-term will save millions of dollars in road reconstructions and maintenance.

Infrastructure Services is committed to providing quality services while balancing its financial responsibilities. Maintaining the condition of our roads encourages economic growth, tourism and connectivity of our neighbourhoods while reducing our carbon footprint. This report will outline the current state of the Town's roads, how the Town's pavement condition deteriorates over time and long-term funding requirements needed to maintain an acceptable level of service.

A Road Network Survey is designed to provide the Town with a thorough set of pavement data used to maintain, develop a pavement management system and to implement a Capital maintenance plan for all Town roads. A Road Network Survey is a valuable tool for municipalities to manage their road system by documenting the existing road infrastructure as well as providing a means of monitoring the condition of the system. The primary goal of the study is to identify deficiencies in the existing road and laneway networks and prepare resurfacing and reconstruction strategies to maintain and upgrade the system. It is a component of the Town's Asset Management Plan, providing the basis for developing priorities on a needs basis which will be invaluable in preparing future funding applications.

It is necessary to update the Road Network Survey on a regular basis to provide an accurate assessment of the Town's roads to ensure that the funding available for the capital improvements is used as effectively as possible.

The last Road Needs Study was completed by Triton Engineering in 2020 which identified that 46% of the Town's roads were in need of repair. The updated survey that is being completed this fall, will provide the Town with a Pavement Condition Index (PCI), see figure 1 and a 10-year Capital Plan will be derived from this data.

Pavement Condition Index		
Good		86-100
Satisfactory		71-85
Fair		56-70
Poor		41-55
Very Poor		26-40
Serious		11-25
Failed		0-10

Council approved Report INS-2023-013 at its June 19, 2023, meeting; providing direction to staff to hire a consultant to update the Road Needs Study, as the information gathered from the 2020 study was outdated and opinion based. The new study will be an analytical data-based survey providing more accurate data and information.

Going forward, the Town will complete a Town wide Road Network Survey every 3 years, instead of the traditional every 5-years.

Pavements do not deteriorate over time in a straight-line linear fashion, as illustrated in figure 2, typically pavement condition drops slowly with the first 75% of its life, then deterioration accelerates at an exponential rate.

Figure 2

There are two major mechanisms to addressing road condition issues:

(1) Roads Requiring Full Reconstruction.

Roads in this category will require full reconstruction for one or a combination of the following reasons:

- Pavement has deteriorated to the extent that full replacement is required;
- Insufficient existing road base;
- Lack of drainage such as storm sewers;
- Roads that are not build to current urban standards such as no curbs or sidewalks
- Roads that require replacement of underground water & sewer infrastructure which affects a significant portion of the road.

(2) Roads requiring a single or double lift resurfacing.

Roads in this category require resurfacing to rehabilitate the roads and maintain the integrity of the base structure before they reach the condition of a more costly full reconstruction.

In today's dollars, a road requiring to receive a double lift resurfacing treatment will cost approximately \$70.00 per square metre of road, whereas a road requiring to be fully reconstructed will cost approximately \$575.00 per square metre.

Proper pavement management employing a comprehensive program of resurfacing at the appropriate time results in a road lasting longer at a lower cost over the roads life cycle. A road resurfacing undertaken at the optimum time cost approximately 1/8th the cost of a full road reconstruction.

State of Town Roads

In 2020 Triton Engineering was retained to provide an opinion-based road condition survey analysis, providing a pavement condition index (PCI) of the roads in Orangeville. Findings from this report concluded that 46% of the Town's roads have been identified as having improvements needs in the next 10 years, in addition to regular maintenance. This is comprised of roads that have been improved as well as new subdivision roads that have been assumed. The percentage of roads that need improvements has increased from 39% in the 2015 road condition survey. As a result of the 2020 study, Triton Engineering produced a list of roads that would require to be fully reconstructed and/or resurfaced over the next 10 years.

Currently, an analytical data-based road survey providing more accurate data is being conducted and the information will be available before the end of 2023.

The Town has a robust full road reconstruction program. The combined value of the streets that were identified in the 10-year program in 2020 and that still remain on the list is \$57,236,400.00, which represents 24 streets, whereas Council has approved in principle the reconstruction of 19 streets with a value of \$ 46,518,011.00 for reconstruction in the 10-year Capital forecasted budget, see appendix A. This does represent a funding gap of \$10,718,389.00 for the Towns Road Reconstruction Program and does not include additional funds for inflation

The Town's road resurfacing program is not as advanced as it could be. Currently there are 117 street segments that are on the list of streets that are in need of being resurfaced, that were identified by Triton Engineering. The value to resurface these 117 streets segments is \$24,696,730.00. \$2,268,720.00 has been approved in principle in the 10-year Capital Budget, representing the resurfacing of only 8 streets. This is leaving a gap in resurfacing funding of \$22,428,010.00. See appendix B

As these streets get older, as discussed earlier in this report, the deterioration will grow at an exponential rate and will need to fully reconstructed instead of needing to be resurfaced. If the funding gap in the resurfacing program is allowed to stand at "status quo", there is a potential of this gap expanding to almost 180 millions dollars.

Resurfacing a street with a PCI value of 65 to 75 can potentially extend the life of the road by 20 years.

As roads deteriorate, vehicle speeds reduce and fuel consumption and levels of emissions change. Maintaining roads will reduce our carbon footprint. The Canadian Automobile Association (CAA) estimates that vehicles will use up to 4% more fuel when driving over roads that are not smooth. All vehicles, whether gasoline, diesel or electric use energy to move, some of that energy is being wasted with under maintained roads. Cracks and bumps will also wear down tires, shock absorbers and suspensions, thus increasing vehicle maintenance cost.

A copy of the proposed 2024 Road Resurfacing Program is included with this report as Appendix C.

Strategic Alignment

Strategic Plan

Strategic Goal: Future Readiness

Objective: Sustainability - Secure the financial viability of the municipality

Sustainable Neighbourhood Action Plan

Theme: Transportation system

Strategy: Promoting a shift to more sustainable and efficient transportation to move people and goods

Notice Provisions

N/A

Financial Impact

Infrastructure Services is recommending, through the budget process, that Council consider the creating of a Town wide yearly Road Resurfacing Program with the following funding scenario.

Year	Funding
2024	\$1,500,000.00
2025	\$1,500,000.00
2026	\$1,500,000.00
2027	\$1,500,000.00
2028	\$1,750,000.00
2029	\$1,750,000.00
2030	\$1,750,000.00
2031	\$1,750,000.00
2032	\$1,750,000.00
2033	\$2,000,000.00

Respectfully submitted

Tim Kocialek, P.Eng., PMP
General Manager, Infrastructure Services

Prepared by

Derek Currie
Manager, Capital Works

September 19, 2023

Township of Melancthon
157 Highway 10
Melancthon ON L9V 2E6

At its regular meeting on September 14, 2023, Dufferin County Council passed the following resolution:

THAT Dufferin County Council supports the following Township of Melancthon resolution, dated September 12, 2023, regarding support for Bill C-310, an Act to Amend the Income Tax Act (Volunteer Firefighting and Search and Rescue Volunteer Tax Credit):

WHEREAS there are 90,000 volunteer firefighters in Canada, comprising 71 per cent of all firefighters in the country;

AND WHEREAS there are an estimated 15,000 vacant firefighter positions in Canada;

AND WHEREAS Canadians' reliance on volunteer firefighters is increasing at a time of warmer weather and increased wildfires;

AND WHEREAS governments need to find new ways to incentivize the recruitment of volunteer firefighters in this country;

AND WHEREAS volunteer firefighters are currently eligible for a \$3,000 tax credit each year;

AND WHEREAS Bill C-310 proposes to increase the firefighters' tax credit to \$10,000 per year;

NOW THEREFORE BE IT RESOLVED that the Township of Melancthon calls on all Members of Parliament to vote in support of Bill C-310 to increase the firefighters' tax credit from \$3,000 to \$10,000 to incentivize the hiring of more recruits and to recognize those who already serve;

AND FURTHER THAT this motion be circulated to Dufferin County municipalities;
Gord Johns, MP for Courtenay—Alberni; Kyle Seeback, MP for Dufferin-Caledon;
Honourable Marie-Claude Bibeau, Minister of National Revenue.

Thank you,

Rebecca Whelan

Re: Reducing Municipal Insurance Costs

Please be advised that Council of the Town of Halton Hills at its meeting of Monday, June 19, 2023, adopted the following Resolution:

WHEREAS escalating insurance costs are one of the Town of Halton Hills' priorities;

AND WHEREAS the Town of Halton Hills' annual insurance premiums have increased from \$594,404 (1.32% of taxes) to \$2,073,319 (3.28% of taxes) from 2017 to 2023, representing an accumulated increase of 248.8% over this period;

AND WHEREAS the annual increase to the Town of Halton Hills' insurance premiums have been one of the most significant constraints in limiting yearly tax levy increases over the past seven years;

AND WHEREAS Ontario Municipalities are experiencing higher insurance rates at each renewal with limited access to insurance companies willing to quote on municipal insurance needs;

NOW THEREFORE BE IT RESOLVED that the Town of Halton Hills Council calls on the Province to take action to reduce municipal insurance costs;

AND FURTHER that this Resolution be forwarded to the Association of Municipalities of Ontario (AMO), the Minister of Finance, the Minister of Municipal Affairs and Housing, MPP Ted Arnott and all Ontario Municipalities for support.

Attached for your information is a copy of Resolution No. 2023-0125.

If you have any questions, please contact Valerie Petryniak, Town Clerk for the Town of Halton Hills at valeriep@haltonhills.ca.

Sincerely,

Melissa Lawr

Subject: Bill C-310 - An Act to Amend the Income Tax Act (Volunteer Firefighting and Search and Rescue Volunteer Tax Credit)

Good morning,

At the meeting of Melancthon Township Council held on September 7, 2023, the following motion was introduced and passed:

Moved by McLean, Seconded by Moore

Be it resolved that:

Whereas there are 90,000 volunteer firefighters in Canada, comprising 71 per cent of all firefighters in the country;

And Whereas there are an estimated 15,000 vacant firefighter positions in Canada;

And Whereas Canadians' reliance on volunteer firefighters is increasing at a time of warmer weather and increased wildfires;

And Whereas governments need to find new ways to incentivize the recruitment of volunteer firefighters in this country;

And Whereas volunteer firefighters are currently eligible for a \$3,000 tax credit each year;

And Whereas Bill C-310 proposes to increase the firefighters' tax credit to \$10,000 per year.

Now therefore be it resolved that the Township of Melancthon calls on all Members of Parliament to vote in support of Bill C-310 to increase the firefighters' tax credit from

\$3,000 to \$10,000 to incentivize the hiring of more recruits and to recognize those who already serve.

And further that this motion be circulated to: Dufferin County municipalities; Gord Johns, MP for Courtenay—Alberni; Kyle Seebach, MP for Dufferin-Caledon; Honourable Marie-Claude Bibeau, Minister of National Revenue.

Carried.

Thank you.

Regards,
Denise Holmes

From: [REDACTED]
To: [Council Agenda](#)
Subject: Motion 15 - 15.1 Stop Sign @ Preston and Parkinson
Date: Friday, October 13, 2023 11:52:46 AM

Hello Council and thank you for your consideration;

As for the motion 15 - 15.1 that Councillor Prendergast has put forth - Installation of Stop Signs at Preston Drive and Parkinson Crescent, we would like to suggest that it not be put at Preston but at Wardlaw Avenue. The reasoning is that either a crosswalk or stop sign would be fairer to the whole area, not just for children crossing at Preston. The park on Parkinson goes from Preston through Wardlaw to Lavery and Fitzgerald. Putting a stop sign at only one side, Preston, is not fair to the other direction. Putting it in the middle accomplishes the exact same results except it is for the whole area.

The construction trucks are now also using Wardlaw to get access to the site for Avalon. It is not right for them to go beyond Preston travelling more into the park area as well now disturbing 3 streets, Preston / Wardlaw / Hutchinson, instead of using the one street appointed for them.

A stop sign at Wardlaw will deter them from going past Preston and keeping them away from the park.

We all don't understand why these trucks are even allowed into our neighbourhoods in the first place when they should be going through the Avalon land off Broadway & Blindline. How long will this continue? Someone has posted non-official signs for the trucks to slow down to 20km on both Preston and Wardlaw. They shouldn't even be using more than one road in the first place as well going closer towards the park to get onto Wardlaw.

We personally think a crosswalk would work but if a stop sign is the only plan, it should not be at Preston but at Wardlaw which is the middle of the park giving a safer access to pedestrians on both ends of the road, not just the one end of the park. The neighbourhood will one day grow with more Towns being proposed on Parkinson near Preston, so Wardlaw would still be the middle street for all to safely cross at a 3 way stop sign.

Thank you
Brenda & Lino Chioma
78 Wardlaw Ave, Orangeville

October 16, 2023

Honourable Paul Calandra
Minister of Municipal Affairs and Housing
777 Bay Street, 17th Floor
Toronto, Ontario, M7A 2J3

Dear Minister Calandra,

I trust this letter finds you well and I hope you are enjoying the challenges of your new role. As Mayor of the Town of Orangeville, I am writing to first articulate to you that our Council and Town Staff teams are working diligently to deliver on our growth targets and are eager to work with our provincial partners to address the many growth related challenges and to ensure we are able to implement smart development strategies that aim to build not just homes, but also thriving, connected communities.

Additionally, I am writing to convey the Town of Orangeville's priority recommendations from the Housing Affordability Task Force Report. After careful review, we feel that these recommendations are critical to addressing the housing challenges faced by our community and to enhance the provincial process:

- ***13. Limit municipalities from requesting or hosting additional public meetings beyond those that are required under the Planning Act.***
- ***14. Require that public consultations provide digital participation options.***
- ***15. Require mandatory delegation of site plan approvals and minor variances to staff or pre-approved qualified third-party technical consultants through a simplified review and approval process, without the ability to withdraw Council's delegation.***
- ***42. Provide provincial and federal loan guarantees for purpose-built rental, affordable rental, and affordable ownership projects.***
- ***43. Enable municipalities, subject to adverse external economic events, to withdraw infrastructure allocations from any permitted projects where construction has not been initiated within three years of build permits being issued.***
- ***50. Fund the adoption of consistent municipal e-permitting systems and encourage the federal government to match funding. Fund the development of common data architecture standards across municipalities and provincial agencies and require municipalities to provide their zoning bylaws open data standards. Set an implementation goal of 2025 and make funding conditional on established targets.***
- ***65. Develop and legislate a clear, province-wide definition of 'affordable housing' to create certainty and predictability.***

I was in attendance at the Association of Municipalities of Ontario conference in August 2023 for the announcement of the Building Faster Fund that came with a commitment of \$1.2 billion to support municipalities in meeting their growth targets. At the Ministers Forum, I rose to share my concerns with the former Minister of Municipal Affairs and Housing on where a small urban municipality like Orangeville fits into this plan, and I would like to use this opportunity to share these concerns with you.

Orangeville, located just outside the GTA, is deeply affected by the housing crisis, particularly concerning affordability and a lack of rental options. However, the announcement of support is geared to municipalities with capacity for growth to 50,000 or more and to small rural municipalities, and Orangeville does not fit into either of these categories. With a population of approx. 31,000, we are far too large to be considered small and rural, but our growth opportunity is limited both by a lack of available land within our boundaries (our geographic and settlement boundaries are one in the same) as well as a lack of available infrastructure, water and wastewater capacity in particular.

We are however surrounded by neighbouring communities, like Caledon, with aggressive growth targets that will significantly impact our community infrastructure. Our fear is that Orangeville may be overlooked or forgotten in the larger provincial planning context, and we too need a strong community with investments made in critical infrastructure to support the overall wellbeing of our residents.

We sincerely appreciate your attention to these matters and look forward to discussing these recommendations further to create a prosperous future for Orangeville together.

Sincerely,

Lisa Post
Mayor

Minutes of a Committee of Adjustment Meeting

Electronic Participation

June 7, 2023, 6:00 p.m.

Electronic and In-Person Participation - Committee of Adjustment

The Corporation of the Town of Orangeville

(Chair and Secretary-Treasurer at Town Hall - 87 Broadway)

Orangeville, Ontario

Members Present: Alan Howe
 Rita Baldassara
 Michael Demczur
 Ashley Harris

Staff Present: Brandon Ward, Manager of Planning
 Tracy MacDonald, Secretary-Treasurer
 David Waters, Senior Planner

1. Call to Order

The meeting was called to order at 6:02 p.m.

2. Disclosures of (Direct or Indirect) Pecuniary Interest

None.

3. Minutes of Previous Meeting

Moved by Rita Baldassara

That the minutes of the following meeting are received:

2023-05-03 Committee of Adjustment Minutes

Carried

3.1 2023-05-03 Committee of Adjustment Minutes

4. Statutory Public Hearing

4.1 File No. A04-23 - 6 Third Avenue

4.1.1 Planning Report - A04-23 - 6 Third Avenue

The Chair asked if anyone wished to speak in favour of the application. No one spoke in opposition. The Chair asked if anyone wished to speak in opposition to the the application and there was no one.

Brandon Ward, Manager of Planning provided an overview of the Planning Report indicating that it is the view of staff that the minor variance application meets the four tests in the Planning Act.

Minor Variance Application file no. A-04/23 to permit a recreational vehicle to be used as a dwelling unit for a temporary period for up to 4 months is approved, subject to the following condition:

1. That this approval of Minor Variance application A-04/23 is effective for a temporary period of 120 days from the date of approval by the Committee of Adjustment, at which time this approval shall expire and the owner must re-apply to the Committee of Adjustment if they wish to continue the use.

4.2 File No. A05-23 - 60-62 Broadway

The Chair asked if anyone wished to speak in support of the application and Mr. Dymont provided a presentation to the committee, indicating that there is a roof amenity on the fourth floor that is usable for residents of the complex. No one spoke in opposition to the application.

David Waters, Senior Planner advised the committee members that the application meets the four tests of the Planning Act and provided a very brief overview of the application.

Minor Variance Application (File No. A05-23) to increase the height for the portion of the building that is within 21 metres of the easterly side lot line, from 16 metres to 18 metres for the purpose of permitting a staircase to access a roof amenity area as shown on Attachment 2 to planning report A05-23, is approved: and that the minor variance be in accordance with the approved site plan drawings for the proposed development at 60-62 Broadway.

4.2.1 Planning Report - A05-23 - 60-62 Broadway

4.2.2 Correspondence, Credit Valley Conservation, dated May 30, 2023

5. Date of Next Meeting

The next meeting is scheduled for July 5, 2023.

6. Adjournment

The meeting was adjourned at 6:29 p.m.

None.

5. Items for Discussion and Reports

5.1 Work Plan

The Committee discussed previous work plans, hiring a consultant to prepare a work plan that meets AODA standards, and budgetary impacts.

Note: Sharon Doherty, Manager, Recreation and Events will consult with Tony Dulisse, Manager, Transportation & Infrastructure Services, and bring a recommendation to the next meeting regarding how the Committee should proceed with a consultant to complete the work plan.

5.2 Meeting Schedule

The Committee discussed meeting the second Thursday of the month instead of the third Thursday.

2023-014

Moved By Rick Stevens

That the Committee meet the second Thursday of the month at 10:00 a.m., excluding July and August.

Carried

5.3 Accessible Parking

Julie Rawn advised plans for two (2) courtesy accessible parking signs to be installed at the side of Town Hall.

5.4 Town Website - Accessibility Page

The Committee discussed information to be placed on the website.

2023-015

Moved By J. Jackson

Sharon Doherty, Manager, Recreation, Events & Community Services to update the website with links to purchase StopGap ramps, County subsidy programs, community resource information, and awareness campaigns.

Carried

5.5 Transit Update

The Committee discussed resources for transit issues within the Town and the proper procedure for filing complaints.

Note: Staff are to consider adding bus drivers in additional accessibility training.

5.6 Stop Gap Ramps

K. Van Ryn declared a conflict on this item. (Conflict with item 5.6.)

Note: Rick Stevens will research the County Subsidy program and report back at the next meeting.

2023-016

Moved By J. Jackson

That the Committee approve the following Portable (Suitcase) Ramp Subsidy Program Applications and direct staff to prepare a \$250.00 cheque for the following recipients:

- 1. Branching Out Support Services**
- 2. Gauntlet Comics & Games**

Carried

5.7 Accessibility Champion Awards Update

Sharon Doherty, Manager, Recreation and Events advised the following award winners:

- Branching Support Services Award
- Branching Out Support Services Advocacy Award

- Active Lives Canada
- Rick and Michelle Arsenault - Blue Bird Cafe

The Committee expressed congratulations to the winners and Councilor Stevens thanked Committee members for attending the ceremonies.

6. Correspondence

The Committee discussed hosting an Abilities Fair in 2024, conducting an audit of the benches, and implementing rest stops throughout the Town.

Note: Kimberly Van Ryn will take the lead on the Abilities Fair and will determine a date with Sharon Doherty, Manager, Recreations and Events.

Note: Ms. Doherty will follow up with an audit of accessible benches within the Town and review the trail behind Dollarama that goes to Canadian Tire.

2023-017

Moved By Rick Stevens

That the Committee host an Accessibility Fair in May 2024.

Carried

7. New Business

Kimberly Van Ryn advised the Legion provides equipment within the Town. The Committee discussed sharing this resource at the Abilities Fair.

Wendy Cooke inquired about public consultation for playground developments. Sharon Doherty, Manager, Recreation and Events advised that Council is committed to public consultation and information sharing.

N. Leece, Legislative Assistant

1. Call to Order

Councilor Andrews called the meeting to order at 5:36 p.m.

2. Disclosures of (Direct or Indirect) Pecuniary Interest

None.

3. Adoption of Minutes of Previous Meeting

The Committee discussed amending the Committee meeting time to allow for meetings to occur in Council chambers. The meeting schedule will remain as the third Thursday of the month, 5:30 p.m. in the main floor boardroom.

Recommendation: 2023-004

Moved by C. Aristizábal

That the minutes of the following meeting are approved as amended:

2023-05-22 Equity, Diversity and Inclusion Committee Minutes.

Carried

3.1 2023-05-11 Equity, Diversity and Inclusion Committee Minutes

4. Presentations

Karen Landry, Acting General Manager, Corporate Services, spoke about current initiatives the Town of Orangeville supports relating to Equity, Diversity and Inclusion including, current budget allocations and upcoming opportunities for staff participation. It was shared that an Equity, Diversity and Inclusion audit was recently completed by the County.

The Committee discussed leveraging the existing audit completed by the County as well as potential communication and engagement initiatives.

5. Items for Discussion and Reports

5.1 Committee make-up and community representation

The Committee reviewed the Equity, Diversity & Inclusion Terms of Reference and discussed the possibility of having guest speakers representing all members of the community as well as outreach at different community events.

5.2 Proposed guest speakers and community engagement

Councillor Andrews requested that members suggest guest speakers who may have interest in speaking to the committee. The committee discussed some potential guest speakers.

Note: David Nairn left at 6:23 p.m.

5.3 Work plan 2023

The Committee discussed building a collaborative database of groups within the Orangeville area. A working group was established to begin gathering information.

Note: Staff to create SharePoint directory.

5.4 Adoption of Meeting Schedule

Recommendation: 2023-005

Moved by Councillor Andrews

The Committee confirmed the current schedule of meetings.

Carried

6. Correspondence

None.

7. New Business

The Committee discussed collateral materials, proclamations, community events and flag raisings to help raise public awareness about important issues.

Note: Communications to attend next meeting to further discuss possible collateral materials and provide a list of community participation and engagement opportunities.

8. Date of Next Meeting

The next meeting is scheduled for September 21, 2023, from 5:30 p.m. to 7:30 p.m.

9. Adjournment

The meeting was adjourned at 7:10 p.m.

Minutes of Heritage Orangeville

June 15, 2023, 7:00 p.m.

The Corporation of the Town of Orangeville
(Chair and Secretary at Town Hall - 87 Broadway)
Orangeville, Ontario

Members Present: H. Daggit
G. Sarazin
Councillor D. Sherwood
T. Brett

Members Absent: L. Addy
P. Miron
M. Mischkot

Staff Present: A. Graham, Secretary
B. Ward, Manager of Planning
N. Leece, Secretary

1. Call to Order

The meeting was called to order at 7:02 p.m.

2. Disclosures of (Direct or Indirect) Pecuniary Interest

None.

3. Adoption of Minutes of Previous Meeting

Recommendation: 2023-013

Moved by G. Sarazin

That the minutes of the following meeting are approved.

Carried

4. Presentations

None.

5. Items for Discussion and Reports

5.1 53 Mill Street - Demolition on a Municipal Register Heritage Property

The Committee discussed the demolition of an additional building at 53 Mill Street.

Recommendation: 2023-014

Moved by G. Sarazin

That the Committee approve the proposed demolition at 53 Mill Street.

Carried

6. Facade Improvement Applications

None.

7. Correspondence

There was no correspondence to be received.

8. New Business

Staff will reach out to the property owner of 53 Mill Street to determine zoning requirements.

Three (3) Agenda items to be added to September meeting:

1. Heritage Orangeville Calendar Update

- Research is commencing in late June.
- Information to be brought to the Committee in September.

2. Heritage Banners

- New ideas to be discussed in September.

3. Discuss Doors Open

9. Date of Next Meeting

The next meeting is scheduled for September 21, 2023.

10. Adjournment

The meeting adjourned 7:23 pm.

Minutes of Age Friendly

June 20, 2023, 1:00 pm

Electronic and In-Person Participation - Age Friendly

The Corporation of the Town of Orangeville

(Chair and Secretary at Town Hall - 87 Broadway)

Orangeville, Ontario

Members Present: Councillor Macintosh
L. Banks
M. Chapman
C. Hamilton
K. Jack

Members Absent: A. Aguanno

Staff Present: S. Doherty, Manager, Recreation and Events
L. Raftis, Assistant Clerk
N. Leece, Legislative Assistant
T. Dulisse, Manager, Transportation and Development

1. Call to Order

Councilor Macintosh called the meeting to order at 12:58 p.m.

2. Disclosures of (Direct or Indirect) Pecuniary Interest

None.

3. Adoption of Minutes of Previous Meeting

2023-005

Moved By C. Hamilton

That the minutes of the following meeting are approved:

3.1 2023-04-18 Age Friendly Committee Meeting Minutes

4. Presentations

4.1 Delegate - Steph M., iThrive Studio - 55+ Fitness and Recreation

This item was discussed after item 4.2 - Tony Dulisse, Manager, Transportation & Development - Transit.

Steph M., iThrive Studio, shared an overview of her business, contact information, and willingness to partner and collaborate on accessible fitness initiatives.

The Committee can reach Steph at:

- P: 226-792-3222, W: www.ithrivestudio.ca

4.2 Tony Dulisse, Manager, Transportation & Development - Transit

This item was presented prior to item 4.1 - Delegate - Steph Miller, iThrive Studie - 55+ Fitness and Recreation.

Tony Dulisse, Manager, Transportation & Development, spoke to the increase of transit ridership, construction of the Transit Terminal, routes, and the upcoming On Demand service.

The Committee discussed training and communication strategies.

5. Items for Discussion and Reports

5.1 2023 Work Plan

5.1.1 Budget Review

The Committee discussed the budget and potential initiatives.

5.2 Senior of the Year Update

Mayor Post announced Heather Sheehan, local resident, as the recipient of the Ontario Senior of the Year Award for 2023.

Committee members were asked to consider nominations for the Ontario Senior of the Year Award for 2024.

6. Correspondence

None.

7. New Business

Mike Champan discussed the opportunity and challenges of keeping a robust database of all services and programs available to Seniors. The Committee will review the available information at present date and discuss updates required at the next meeting.

Mayor Post advised the next Town Hall meeting is tentatively booked for Tuesday, September 26, 2023, commencing at 6:30 p.m. at Tony Rose Memorial Sports Centre.

Sharon Doherty, Manager, Recreations and Events advised the upcoming Seniors Holiday Luncheon is scheduled for December 6, 2023 at Tony Rose Memorial Sports Centre.

8. Date of Next Meeting

The next meeting is scheduled for Tuesday, September 19, 2023 at 1:00 p.m.

9. Adjournment

2023-006

Moved By K. Jack

That the meeting be adjourned at 2:15 p.m.

Carried

Minutes of Economic Development and Culture

June 20, 2023, 8:00 a.m.

Electronic and In-Person Participation - Economic Development and Culture Committee

**The Corporation of the Town of Orangeville
(Chair and Secretary at 200 Lakeview Court, Upper Level)
Orangeville, Ontario**

Members Present: Councillor Andrews
L. Horne, Orangeville Real Estate Board
J. Patterson, Orangeville BIA
J. Small, Public Member
M. Vinden, Business community

Members Absent: Chair S. Brown, Dufferin Board of Trade
M. Mischkot, Public Member, regrets

Staff Present: H. Savage, Gen. Mgr., Community Services
K. Lemire, Mgr., Economic Development & Culture
B. Lusk, Administrative Assistant
J. McGibbon, Mgr., Communications, Corporate Services

1. Call to Order

Vice Chair Andrews called the meeting to order at 8:05 a.m.

2. Disclosures of (Direct or Indirect) Pecuniary Interest

None.

3. Adoption of Minutes of Previous Meeting

2023-011

Moved By L. Horne

That the minutes of the following meeting are approved:

2023-05-16 Economic Development and Culture Committee Minutes

Carried

4. Presentations

4.1 Jessie McGibbon, Manager, Communications, Corporate Services

J. McGibbon said that the Communications Division has three staff that oversee the delivery of the Town's Communications Strategy. Currently staff create content and monitor social media platforms, build web pages, and ensure compliance on the corporate website, prepare marketing and advertising for the town-page in a weekly newspaper, and are responsible for providing communication support to all divisions and Council.

She said that staff provide a media presence at events, and emergency response support when required. They also develop a regular monthly video series to provide information about Town services and public safety.

J. McGibbon indicated that the world of information delivery is evolving, and that the strategy includes diversified ways to reach a broader audience. She said that the office is exploring digital advertising on social media, local radio opportunities, and looking at alternative low-cost avenues that will deliver the biggest impact.

5. Working Group Reports

5.1 Arts & Culture

5.1.1 Event Recommendations

J. Small said that the working group proposes a new event to recognize and support the local arts and culture community on Tuesday, September 26. Chelsea Johnson, a performer, podcaster, and artist, will lead the event and focus on creating opportunities for education and connection with the audience.

5.1.2 Call for Artists selections

J. Small presented the four art selections recommended by the working group for the 2023 Utility Box Art program. She said that there were over seventy submissions to consider for the four locations.

K. Lemire said that with the committee's endorsement of these selections that staff would proceed and expected to have installations completed by September.

2023-012

Moved By J. Small

That the artist selections recommended by the Arts and Culture working group for the Utility Box Art installations be adopted, and staff proceed with installations.

Carried

6. Items for Discussion and Reports

6.1 Business Park Signs

K. Lemire said that Council had approved \$30,000 in the 2023 Capital budget for replacement of the business park directional signs. She said that a RFQ was issued for the replacement of the six signs. A second RFQ was issued to replace only two signs.

K. Lemire stated that both quotes were well above budget and asked members for their opinions on the value of the signs to local businesses and the general public. Committee members agreed that existing signs are unsightly and should be removed. They also said that there may be more effective ways to use the capital budget funds to benefit this community. Ideas included improving existing business park gateway signs and using the funds to support the new Community Improvement Plan programs.

The Economic Development and Culture office will contact all businesses that are using the existing six signs and determine next steps based on the Committee's input.

6.2 Downtown Banners

K. Lemire said that the Economic Development and Culture office took over management of the downtown banners in 2023. She said that the Orangeville Blues and Jazz Festival and the Orangeville Northmen are two community groups that have purchased their own banners and manage their own banner installation and removal.

The office maintains the Canada Day and LoveOrangeville street pole banners. LoveOrangeville banners intentionally drive visitors to the tourism website where they can access local event information.

K. Lemire said that there are also six banners in the medians that will also feature LoveOrangeville messaging. She said that Heritage Orangeville has used the six median banners for Heritage Month in February and that these six banner locations could potentially be available to other groups.

User groups have the opportunity to be featured on loveorangeville.ca and may be able to promote events on the new digital sign at the Visitor Information Centre.

Note: Councilor Andrews asked K. Lemire to advise committee members when the new digital sign is operational.

6.3 Business Attraction Outreach

Deferred to September meeting.

7. Correspondence

None.

8. New Business

L. Horne reported that the housing market in Orangeville has a low inventory with thirty-two houses and nine condominiums listed for sale and only eight rental listings currently available. She said that thirty-nine houses and seven condominiums sold in the last thirty days.

She said there are fifteen commercial properties for sale and twenty-nine commercial rental listings currently available.

J. Patterson stated that the BIA revisited ongoing concerns regarding the Broadway median and they plan to continue dedicating resources to make it look as good as it can. He said that the BIA requested that the Town fix the clock tower. Councillor Andrews reported that Council approved funds for the clock repair.

J. Patterson said the BIA would like to trademark the new Downtown Orangeville branding.

Councillor Andrews announced that David Smith will be the new CAO for the Town.

He reported that the expected completion date for the Hanson bridge is at the end of 2023, and that Orangeville Transit will look at new servicing options.

9. Date of Next Meeting

Tuesday, September 19, 2023 at 8:00 a.m.

10. Adjournment

The meeting adjourned at 9:32 a.m.

Minutes of Homelessness Task Force

June 21, 2023, 7:00 p.m.

Electronic and In-Person Participation - Homelessness Task Force

The Corporation of the Town of Orangeville

(Chair and Secretary at Town Hall - 87 Broadway)

Orangeville, Ontario

T. Carter
E. Dunn
E. Goodyear
T. Grabb
Councillor Sherwood

Members Absent: R. Alvarez

Staff Present: T. Barry, Executive Assistant, Community Services
H. Savage, General Manager, Community Services

1. Call to Order

The meeting was called to order at 7:01 p.m.

2. Disclosures of (Direct or Indirect) Pecuniary Interest

None

3. Adoption of Minutes of Previous Meeting

2023-005

Moved By E. Dunn

That the minutes of the following meeting are approved: May 17, 2023

4. Presentations

4.1 Guest Speaker

Welcome Deputy Mayor Taylor to the meeting

5. Items for Discussion and Reports

5.1 Recreation Facility Availability

Since shelters do not have enough staff or funding to stay open 24/7, the organizations lean on the Town facilities to offer safe places for the residents to go. Currently recreation centres are open to the public until 11:00 p.m. and a suggestion to train staff, amend the R-Zone and provide other trained professionals on site at recreation centres be made available in order to assist those in need. It was noted that the library staff in Halton are all trained to deal with those that require assistance (food pantry, understanding how to deal with certain situations, etc.). Is this a budget item for the Town to consider - if there is a cost, this would be an advocacy piece for the Town to go to the County of Dufferin and ask for that support. The community also needs to be educated to explain what we are doing in our recreation centres and why.

Need to look at inventory or space in our facilities to assist the homeless and guide them away from general public for their safety. Suggestion of a safe space at the new transit hub. Also a suggestion of a shower pass program and free swim passes at the recreation centres which would allow the homeless to utilize a proper shower as opposed to having to use sinks in public washrooms.

If shelters were run 24/7, individuals would not be turned onto the street during the day. People would feel safe, individuals would have a sense of belonging somewhere and a sense of dignity. They also wouldn't run into the issues of being kicked out of establishments. The task force wanted to advocate that the shelter should be funded so that it can be open 24/7. Men's shelter does not have federal streams and the funds received from Dufferin are not taxpayers' money. Potential to look at assisting with fundraising.

Situation "task force" - OPP and other crisis centres are represented - need to have recreation represented there as well.

Action Items:

Description or inventory of space available; expertise to table to discuss how spacing could assist;

Find some form of collectible fundraising

Facility Needs Assessment will be conducted to see how our recreation centre/library are functioning and what changes may be necessary taking into account our community needs.

5.2 Community Safety and Well Being Plan (County vs. Town)

Through the Policing Act, every region was asked to look at homelessness, food, and other issues facing communities. Dufferin County then developed a Community Safety and Well Being Plan but advised the municipalities to develop their own. Town staff will recommend Orangeville Council adopt the County's Community Safety and Well Being Plan rather than duplicate efforts.

5.3 Work Plan 2023

H. Savage to formulate a high-level workplan and circulate for review/additions, etc. Decide what are our priorities for the workplan:

- Training for front line, inventory of available space (2023)
- Community outreach and support with a focus on advocacy (2023)

Decide what priorities for 2024

5.4 Community Outreach and Engagement

The Task Force needs to communicate over various means to provide education and community awareness. Presentations to Town Council is one way to educate the community.

E. Goodyear will go before Dufferin County Council to provide a presentation and members of the Task Force should be in attendance to show a strong team.

E. Goodyear to provide electronic information regarding the shelter.

Opportunities and events - shelter attends at all Town of Orangeville events; may get a table at the Farmers Market. The shelter is also developing a policy and procedures for volunteers.

5.5 Coordination of Alternative Housing Manufacturing Facility

Chair Andrews discussed an inquiry received from NRB modular homes. This organization supports alternative housing arrangements for communities that meet certain specifications. The facility is located in Cambridge and they have extended a standing invitation for the Task Force to take a tour of the facility. Jacqueline Evans is Director and is trying to establish an understanding of what they offer and they are looking at other municipalities to branch out.

The tour runs from 10:00 a.m. - noon with lunch provided.

Still need to implement the creation of Safe Beds here in Orangeville. This should form part of the Task Force's long term goals.

6. Correspondence

None

7. New Business

None

8. Date of Next Meeting

The next meeting will be September 20, 2023 at 7:00 p.m.

9. Adjournment

Location: - Electronic Participation Conducted Online via Microsoft Teams & in person at Town Council Chambers

Conference ID: 890 271 998#

Telephone No: 1-289-801-5774

Date/Time: - Wednesday, June 21, 2023, at 5:00 p.m.

Members Present:

Chair: T. Taylor
Vice-Chair: I. McSweeney
Member: Lisa Post
Member: K. Krakar (by Teams)
Board Exec. Asst: M. Archer

Staff Present: J. Hawkins, I.T. Technician

Invited Guests: Acting Inspector Korn will attend on behalf of Inspector Terry Ward
Jennifer Moore, Executive Director of Dufferin Child and Family
Services (DCAFS)

Minutes

1. Call to Order

1.1 Welcome and Introductions
The meeting was called to order at 5:00 p.m.

2. Disclosures of (Direct or Indirect) Pecuniary Interest and Preliminary Matters

None.

3. Approval of Agenda

Recommendation:

Motion that the Board revise the Agenda for the June 21, 2023, Orangeville Police Services Board Regular (Public Session) Meeting with the following additions to Item 12 – Claims for Remuneration:

- June 16, 2023, Joint Meeting of the Dufferin County Section 10 Police Services Boards - Chair Taylor, Member Post, Member Krakar and Vice-Chair McSweeney. (\$400)
- June 19, 2023, Special Meeting to Review Batch 2 of revised Governance Policies - Chair Taylor, Member Post, Member Krakar, Vice-Chair McSweeney and Executive Assistant Archer. (\$500)

Moved by: Member Post

Seconded by: Vice-Chair McSweeney

Seconded by: Member Post

All in favour

Carried

6. Presentation by Jennifer Moore, Executive Director of Dufferin Child and Family Services (DCAFS)- (Presentation was circulated via email to members prior to the meeting)

Board Review and Discussion:

- Jennifer Moore gave an excellent overview on the DCAFS Agency discussing the history of the agency, Mission and Vision statement, the extensive services they provide, organizational structure and intersection points with Police Services.
- Jennifer advised that the agency would be happy to attend a police training session to discuss the services they provide and how they can assist and support each other's role. Acting Inspector Korn thought that was a great idea.
- Jennifer advised of the upcoming Open House/Barbecue at DCAFS on June 28, 2023, at 11:00am. The Open House will provide an opportunity to learn more about Behaviour Solutions Services.
- Chair Taylor asked about Equity at DCAFS and Jennifer responded that Equity is a priority as outlined in their Strategic Plan and they have an internal equity plan, and their staff is reflective of the community it supports.
- Chair Taylor also asked how Covid has impacted their agency. Jennifer advised that they have seen an increase in both child protection matters and mental health.
- Vice-Chair McSweeney commented that he feels Orangeville is very fortunate to have all the services DCAFS provide under one roof.

Recommendation:

Motion that the Board receive the presentation by Jennifer Moore.

Moved by: Vice-Chair McSweeney

Seconded by: Member Krakar

All in favour

Carried

7. Acting Insp D. Korn will provide an update on the following topics.

7.1 Status update on OPP Strategic Plan

- Acting Insp D. Korn advised the OPP has not released the Strategic Plan yet but have indicated it will build on the last plan.

7.2 Status update on Dufferin Action Plan (OPSB Business Plan to be considered by the Board per ASR s.30).

- Acting Insp D. Korn advised that we can't move further on the Dufferin Action Plan until we receive the Strategic Plan although the Dufferin

Detachment did submit a draft to OPP Headquarters and incorporated input from the OPSB.

7.3 Community Partners discussion – draft letter prepared by the Board to Community Partners to promote community awareness to be discussed with Acting Inspector Korn and finalized for transmission.

- As discussed in the In-Camera session, Chair Taylor will forward the completed draft of the letter to Community Partners to the OPP for review and upon return circulate to the public to facilitate engagement with community partners.

7.4 School Bus Safety:

7.4.1 See email (“FW -2 More School Bus Runners”).

7.4.2 Paula Court – concerns with safety (see email Paula Court).

- Acting Inspector Korn advised that motorists passing stopped school buses is unfortunately a chronic problem. They have informed their Traffic Management Team and their frontline about the concerns cited in the above emails.
- Acting Inspector Korn encourages the public to report any concerns or infractions to the OPP while they are occurring. This provides the opportunity for the police to target concerning areas and times. They will also use internal tools like the Black Cat speed detection device as well as collision analytics to target problem areas.
- Member Post reported that Peel Region has reviewed implementation of the Stop Arm Enforcement program but as result of it not being a cost neutral initiative, they have not moved forward with it at this time.

7.5 OPP Noise update – Inspector Korn to advise on OPP plan to combat this community concern.

- Chair Taylor advised that last summer the OPP ran a project to target unnecessary noise and advised that a number of community members want to know what is the OPP’s plan this year.
- Acting Inspector Korn advised that last year they initiated “Project Quiet Running”. This was an enforcement initiative that involved the local Traffic Management Unit and the Central West Traffic Management Unit out of Orillia.
- Acting Inspector Korn re-iterated the importance of the public reporting any concerns or infractions to the OPP while they are occurring and providing as much detail as possible such as, vehicle description, make and model, license plate number if available and driver description and location and time of incident. An infraction can result in a charge or a referral to a licensed mechanic for a safety inspection.

- Chair Taylor asked if the OPP will publicly announce “Project Quiet Running”. Acting Inspector Korn advised they would announce it to the public by way of Media Release to have a proactive effect.
- Vice-Chair McSweeney asked how community members can receive these media releases and Acting Inspector Korn advised they can subscribe to the OPP Facebook and Twitter accounts.

Board Review and Discussion:

- There were number of community members who attended to express their concerns to the OPP about the excessive noise from vehicles in their area as follows:
 - Janice from Spencer Ave. advised that there are cars in the parking lot of McDonalds at Spencer and Riddell that rev their cars consistently to the point of making these vehicles back-fire, causing excessive noise as well as cars speeding down Riddell. The loud vehicle noise seems to be worse between 7 and 8 pm in the evening and on the weekends. One of the vehicles responsible was described as a Silver Gremlin with the engine raised up. Acting Inspector Korn re-iterated the importance of the public reporting any concerns or infractions to the OPP while they are occurring and providing as much detail as possible. He advised they can call *OPP and that will get them right through to dispatch in Orillia.
 - Mark from Spencer Ave. advised as well of vehicles back-firing loudly and asked if an officer on the scene is not sure whether there has been an illegal modification to a car, can they still take action. Acting Inspector Korn advised generally that an officer can make a determination on the excessive noise, but has the option of referring the driver to a licensed mechanic for assessment.
 - Another resident from Spencer asked if the OPP could blitz Spencer area and Acting Inspector Korn re-iterated the importance of the public reporting any concerns or infractions to the OPP while they are occurring and providing as much detail as possible. He suggested they can use *OPP to call the OPP to report a non-life-threatening occurrence and advised that he will make their Traffic Management Unit aware as well as their Front-line officers.
 - Gary Vipond, a resident on Zina Street, reported that the vehicle noise coming from Broadway is unbearable. He described trying to have a conversation with another person in his backyard and they couldn't hear each other as result of the vehicle noise. He also described abuse from drivers - both physical and verbal - when confronted about the noise by members of the community.
 - Mr. Vipond commented that the newspaper column titled 911 was helpful as it described the enforcement action being taken by the Police. He feels enforcement action needs to be publicized.

- Chair Taylor thanked all members of the community who attended to address their concerns directly to the Board and the OPP.

Recommendation:

Motion that the Board receive the update from Acting Inspector Korn and Chair Taylor as well as the above discussion.

Moved by: Member Post

Seconded by: Vice-Chair McSweeney

8. Bail Reform Letter – Vice-Chair McSweeney to provide update. (See email – Re: Bail Reform response email from Zone 5 Secretary Jo-Anne Fields dated MAY 23/23)

Board Review and Discussion:

- Vice-Chair McSweeney advised that at a Zone 5 Meeting, Guelph Police asked that Police Services Boards write letters to various government agencies and politicians advocating for Bail Reform. Orangeville PSB and 4 other Zone 5 Boards did so. At this point there has been no response.
- Vice-Chair McSweeney advised that at the Joint Meeting it was raised again and John Creelman from Mono Twp. expressed interest and requested Vice-Chair McSweeney to provide him with a copy of the Orangeville PSB letter.
- Vice-Chair McSweeney advised that at the Spring Conference the Attorney General of Ontario gave an address on Bail Reform

Recommendation:

Motion that the Board receive the update from Vice-Chair McSweeney and Vice-Chair McSweeney will contact the Attorney General to request someone from his office attend our September meeting to speak to this topic.

Moved by: Member Post

Seconded by: Vice-Chair McSweeney

9. OAPSB Spring Conference May 30 – June 1, 2023. Vice-Chair McSweeney to provide updates on the conference presentations and has provided the attached presentation decks and conference agenda.

Board Review and Discussion:

- Vice-Chair McSweeney advised that the Conference was very informative and referenced the presentation slide decks that were circulated with the Agenda Package.
- He advised that Lisa Darling introduced 2 new hires to the OAPSB that will introduce the new training modules to all PSB's.
- Vice-Chair McSweeney advised that he asked at the Conference how many PSB's are confident they are compliant with the legislation and regulations that govern PSB's, and no one put up their hand.
- He believes our governance reform framework and policies, once shared, will be adapted for use by other boards.
- In our September meeting we can have further discussion on the roll out of the reform framework and policies.
- Vice-Chair McSweeney advised that the new Inspector General, Ryan Teschner presented at the Conference. On June 20, Duane Sprague, and Vice-Chair McSweeney had a telephone call with the Inspector General to discuss concerns of PSB's. Vice-Chair McSweeney advised that he intends to seek out and comment on a draft of the new adequacy standards regulations once available.
- Vice-Chair McSweeney also suggested the OPSB consider being a sponsor for the next OAPSB conference.

Recommendation:

Motion that the Board receive the presentation package from the OAPSB May 30- June 1st Conference and the review provided by Vice-Chair McSweeney.

10. Grant Update & Future of Grant Process Leadership– Executive Assistant Archer to provide update on current grants and Vice-Chair McSweeney to update Board on future of grant process leadership.

10.1 Victim Support Grant (2023-2024) – The OPP has advised they will not be applying for this grant.

10.2 Mobile Crisis Response Team (MCRT) grant (2023- 2024)
The OPP will be applying for this grant to receive funds to support the crisis nurses on the MCRT team.

Board review and Discussion:

Executive Assistant Archer advised that the OPP decided to not move forward with the VSG grant. The Mobile Crisis Response Team Enhancement Grant was written by the OPP in collaboration with Headwaters Healthcare Centre. The focus of the grant is to fund 1 full-time and 1 part-time crisis nurses for the MCRT Team. The grant application has been completed and signed and is ready for submission through the Town of Orangeville TPON. The OPP advised that they were advised through the Ministry that these grant applications must be submitted through the Municipal TPON to raise awareness at a Municipal level the need for the MCRT teams and more importantly a long-term funding solution.

Vice-Chair McSweeney and Member Post advised that they would like to see Executive Assistant Archer document the process for completing the grant applications and provide some historical background such as grants the PSB apply for and attach recent grant applications for continuity etc. Vice-Chair McSweeney asked that this task be added to the Action Register.

Recommendation:

Motion that the Board receive the update.

Moved by: Member Post

Seconded by: Vice-Chair McSweeney

Carried

13. Zone 5 Presentation – Vice Chair McSweeney to provide update (see Inspectorate IILB and Zone 5 – June 6th Meeting Agenda)

Board Review and Discussion:

- Vice-Chair McSweeney advised that the new CPSA is expected to be proclaimed by the end of 2023 and that legislation, along with the supporting regulations is expected to come into force by mid-2024.
- Chair Taylor commented that Vice-Chair McSweeney gets a lot of value from the Zone 5 meetings and Vice-Chair McSweeney concurred with that comment.

Recommendation:

Motion that the Board receive the update from Vice-Chair McSweeney and the above documents.

Moved by: Member Krakar

Seconded by: Member Post

All in favour

Carried

14. Action Register Update (see attachment - PSB Action Register as of 12 JUN 23)

Board Review and Discussion:

- As discussed in Item 10, Vice-Chair McSweeney asked Exec. Assistant Archer to add the task of documenting the process for grants to the Action Register

Recommendation:

Motion that the Board receive the attachment and update.

Moved by: Vice-Chair McSweeney

Seconded by: Member Post

Carried

15. Section 10 Board Governance Reform Project - Vice-Chair McSweeney to provide update on progress.

Board Review and Discussion:

- Vice-Chair McSweeney advised that we have had two special meetings now and reviewed both Batch 1 and Batch 2 policies. A third meeting has been set up for June 29th. Vice-Chair McSweeney reminded the Board that, following adoption of the new governance framework and policies (targeted for September), we will

need to start work on the further revisions necessary to comply with the new CPSA and regulations when they come into force in 2024.

Recommendation:

Motion that the Board receive the update from Vice-Chair McSweeney.

Moved by: Member Post

Seconded by: Member Krakar

All in favour

Carried

16. PSB Website Review - Vice-Chair McSweeney to provide update.

Board Review and Discussion:

Vice-Chair McSweeney advised that Executive Assistant Archer revised the website to remove Member Rose and to indicate there is a Provincial Appointee vacancy. He advised that at the September Board meeting we should address providing a link to archived minutes as well revisit public transparency and decide what information we want to display on our website.

Recommendation:

Motion that the Board receive update from Vice-Chair McSweeney.

Moved by: Member Krakar

Seconded by: Member Post

Carried

17. Region of Peel ASE update – Chair Taylor to provide update – (see Region of Peel 2023 ASE Pilot Report)

Board Review and Discussion:

- Member Post reported that Peel Region has reviewed implementation of the Stop Arm Enforcement program but as result of it not being a cost neutral initiative, they have not moved forward with it at this time.

Recommendation:

Motion that the Board receive the update from Member Post and the Region of Peel 2023 ASE Pilot Report.

Moved by: Member Krakar

Seconded by: Chair Taylor

All in favour

Carried

18. False Alarm Reporting – (see attached 4 - false alarm word docs. May. 1-15 (by date), May. 1-15 (by location), May. 16-30, (by date), May. 16-30 (by location).

Board Review and Discussion:

Recommendation:

Motion that the Board receive the above reports.

Moved by: Vice-Chair McSweeney

Seconded by: Member Krakar

All in favour

Carried

19. Board Vacancy – Chair Taylor to review Provincial Appointments process.

Board Review and Discussion:

Chair Taylor advised the position is still vacant and he is aware of at least one person who may be interested in applying for the position. As discussed and outlined in Item 5 of the In-Camera Minutes, Chair Taylor intends to contact SOLGEN to inquire about the Section 10 Detachment Board consolidation as well as this vacancy.

Recommendation:

Motion that the Board receive update provided by Chair Taylor.

Moved by: Member Post

Seconded by: Vice-Chair McSweeney

Todd Taylor

Todd Taylor – Chair

Mary Lou Archer - Board Executive Assistant

**Minutes of Orangeville Public Library Board
The Corporation of the Town of Orangeville**

June 28, 2023, 5:00 p.m.

Members Present: S. Marks
Councillor J. Andrews
P. LeBlanc
Councillor T. Prendergast
D. Waugh

Members Absent: J. Demczur
B. Rea

Staff Present: D. Fraser, CEO
J. Moule, Administrative Assistant
R. Medeiros, Financial Analyst, Operations
M. Jhajj, Deputy Treasurer
K. Carson, Librarian Collection and Systems

1. Call to Order

Chair S. Marks called the meeting to order at 5:00 p.m. and noted regrets from B. Rea and J. Demczur.

2. Disclosures of (Direct or Indirect) Pecuniary Interest

None.

3. Land Acknowledgement

Chair S. Marks acknowledged the treaty lands and territory of the Williams Treaty Nations and the Mississaugas of the Credit First Nation and recognized that

Dufferin County is the traditional territory of the Wendat and the Haudenosaunee and is home to many Indigenous people today.

Chair S. Marks acknowledged these traditional territories upon which we live and learn, are steeped in rich Indigenous history and traditions. It is with this statement that we declare to honour and respect the past and present connection of Indigenous peoples with this land, its waterways and resources.

4. Adoption of Minutes of Previous Meeting

Recommendation: 2023-023

Moved by Councillor T. Prendergast

Seconded by Councillor J. Andrews

That the minutes of the May 24, 2023 meeting be approved as amended.

Carried Unanimously

5. Presentations

5.1 Murray Short, Partner, RLB or Delegate - 2022 Draft Audited Financial Statements

RLB Auditor, Murray Short presented the 2022 Audited Financial Statements.

Recommendation: 2023-024

Moved by Councillor J. Andrews

Seconded by D. Waugh

That the Library Board approve the 2022 Audited Financial Statements of The Corporation of the Town of Orangeville, Public Library as presented.

Carried Unanimously

6. Information Items

Recommendation: 2023-025

Moved by Councillor T. Prendergast

Seconded by D. Waugh

That the information items be received.

Carried Unanimously

6.1 CEO Report

6.2 Correspondence to Dufferin Caledon Public Libraries

7. Staff Reports

7.1 Report 23-10 Policy Review - Personnel

Recommendation: 2023-026

Moved by Councillor J. Andrews

Seconded by P. LeBlanc

That report 23-10, dated June 28, 2023 with respect to a review of the policies governing Personnel, be received;

And that the Orangeville Public Library Board adopt and continue to abide by the Town of Orangeville's current Personnel policies.

Carried Unanimously

7.2 Report 23-11 Policy - Strategic Vision, Values, and Principles

 Brian Wormington

Staff Present: T. MacDonald, Acting Secretary-Treasurer
 David Waters, Senior Planner

-
- 1. Call to Order**
 - 2. Disclosures of (Direct or Indirect) Pecuniary Interest**
 - 3. Adoption of Minutes of Previous Meeting**

Moved by Rita Baldassara

That the minutes of the following meeting are received:

Carried

3.1 2023-06-07 Committee of Adjustment Minutes

4. Statutory Public Hearing

4.1 File No. B03-23 - 330 Blind Line

Melissa Visser, MHBC Planning, Agent for applicant provided a presentation to the committee, located at 330 Blind Line in a residential area and briefly reviewed the policy framework and indicated a zoning amendment application was approved in April. There is a current heritage building on the property that went through the Heritage Committee with respect to the rezoning. No others spoke in support or opposition to the application. David Waters, Senior Planner outlined that the structure is designated under Part 4 of the Ontario Heritage Act and the house design and plans will have to be reviewed and supported by the Heritage Committee. Mr. Waters indicated that the maximum amount of trees will need to be maintained. The committee approved the application as it conforms with the Provincial Policy Statement, Official Plan, Orangeville Zoning By-law and is minor in nature.

4.1.1 Credit Valley Conservation Correspondence dated June 27, 2023

4.1.2 Planning Report - A03-23 - 330 Blind Line

4.2 File No. A06-23 - 125 C Line

The Chair asked if anyone wished to speak in support of or in opposition to the application and there were none. David Waters, Senior Planner provided a brief overview of the application. The application was approved by the committee based on meeting the four tests.

4.2.1 Planning Report - A06-23 - 125 C Line

5. Date of Next Meeting

The next meeting is scheduled for August 2, 2023.

6. Adjournment

The meeting was adjourned at 6:23 p.m.

-
- 1. Call to Order**
 - 2. Disclosures of (Direct or Indirect) Pecuniary Interest**
 - 3. Adoption of Minutes of Previous Meeting**

Moved by Rita Baldassara

That the minutes of the following meeting are approved:

2023-07-05 Committee of Adjustment Minutes

Carried

- 3.1 2023-07-05 Committee of Adjustment Minutes**
- 4. Statutory Public Hearing**
 - 4.1 File No. B-04-23 - Part of Lot 1, Concession 3 WHS**

The Chair asked if anyone wished to speak in support of the application and Brandi Clement, Jones Consulting Group Limited provided a presentation to the members which was a brief overview of the proposed plan for the property and answered questions from the members.

The Chair asked if anyone wished to speak in opposition to the application and there were none.

David Waters, Senior Planner provided an overview of the application and an analysis of the four tests and answered questions from the members.

The decision was approved by the members as it demonstrates that it meets the required tests, and the approval is subject to the following conditions:

1. That a plan of survey (R-Plan) be prepared by an Ontario Land Surveyor for the purposes of facilitating the transaction of Consent B04-23 and that this plan be approved by the Town prior to being deposited with the Land Registry Office;
2. That the Credit Valley Conservation Authority (CVC) provide written confirmation that the boundaries of the R-Plan are appropriate to accommodate the driveway access onto Broadway including the culvert and related infrastructure;
3. That a satisfactory draft description of the easement lands and draft transfer easement be prepared by 848614 Ontario Inc, which can be registered in the Land Registry Office, and,
4. That any outstanding municipal taxes, fees or charges be paid in full.

4.1.1 Credit Valley Conservation Correspondence - July 20, 2023

4.1.2 Planning Report - B-04-23 - Part of Lot 1, Concession 3 WHS

4.1.3 Jones Consulting Group Limited

4.2 File No. A-07/23 - 20 Bredin Parkway - Item Deferred to Future Meeting

5. Items for Discussion

5.1 2024 Committee of Adjustment Meeting Schedule

The 2024 meeting schedule was presented to the committee.

6. Correspondence

7. New Business

None.

Members Absent: J. Newton

Staff Present: N. Leece, Legislative Assistant
S. Doherty, Manager, Recreation and Events
T. Dulisse, Manager, Transportation and Development

1. Call to Order

Councilor Stevens called the meeting to order at 10:00 a.m.

2. Disclosures of (Direct or Indirect) Pecuniary Interest

None.

3. Adoption of Minutes of Previous Meeting

2023-019

Moved By J. Jackson

That the minutes of the following meeting are approved:

Carried

3.1 2023-06-15 Access Orangeville Minutes

4. Presentations

4.1 Clerk's Division - Terms of Reference

Sharon Doherty, Manager, Recreation and Events, provided an overview of the Access Orangeville Committee Terms of Reference mandate, goals, objectives and Committee composition as required by the Accessibility for Ontarians with Disabilities Act, (AODA).

5. Items for Discussion and Reports

5.1 Community Improvement Committee

Brandon Ward, Manager, Planning, provided an overview of the Community Improvement Committee (CIP) including background, priority zone maps, committee structure and review process, operations, performance monitoring and annual allocation.

2023-020

Moved By Rick Stevens

That the Committee appoint James Jackson to the Community Improvement Committee.

Carried

5.2 Accessibility Training - Transit Drivers

Accessibility Training for Transit Drivers to be deferred as a Workplan discussion item. This item was discussed in previous meetings with no formal motion passed.

5.3 Town Website - Accessibility Page

A reminder to the Committee that recommendations are always welcome for the Town website.

Note: Town Website Accessibility page to be included in the Committee Workplan.

5.4 Transit Update

Tony Dulisse, Manager, Transportation and Development, provided an update on the Town's new Transit Hub. The Committee shared concerns regarding accessibility to the Hub and discussed how there are some areas for improvement such as improved sidewalks and crossings. Mr. Dulisse shared that over the next few years, enhancements to the Hub can be brought forward to Council for consideration and prioritization.

5.5 Stop Gap Ramps

The Committee discussed the value of assisting downtown businesses in implementing accessibility ramps via the Stop Gap organization and how this item can be incorporated into the Committee Workplan.

The Committee also discussed the need for accessibility buttons on doors within the downtown, and how to connect businesses with the Community Improvement Committee to access funding for buttons.

Note: Ms. Doherty will connect with Stop Gap organization and incorporate this item into the Committee workplan to review at our next meeting.

5.6 2023 Workplan

The Committee agreed to develop a multi-year workplan that incorporates AODA standards.

Note: Ms. Doherty will bring a draft workplan to the Committee for review at our next meeting.

5.7 Proposed 2024 Meeting Schedule

The Committee discussed quorum challenges within the summer months and how special meetings can be called as required.

2023-021

Moved By Rick Stevens

That the Committee meet on the second Thursday of every month at 10:00 am excluding July and August.

Carried

6. Correspondence

The Committee acknowledged the following documents:

- Term of Reference: Access Orangeville Committee
- Community Improvement Plan Program Guide
- Headwaters Health Care Centre 2022 - 2023 Annual Report

7. New Business

Ms. Doherty shared new trail, benches, and leaning posts updates.

Mr. Ugolini expressed concerns regarding crosswalks on Wellington and Broadway. Councilor Stevens shared that the Town addresses crosswalk challenges at the Council level. Mr. Dulisse shared capital project updates related to designated crossing areas for the 2024 budget.

Ms. Cook requested an update on posters in front of Metro and Shoppers Drug Mart. Locations are private property, as such site plan matters are addressed accordingly.

8. Date of Next Meeting

The next meeting is scheduled for Thursday October 12th at 10 a.m.

9. Adjournment

2023-022

Moved By Rick Stevens

That the meeting be adjourned at 12:00 p.m.

Carried

Subject: Community Group Pavement Markings Update

Department: Community Services

Division: Economic Development

Report #: CMS-2023-042

Meeting Date: 2023-10-16

Recommendations

That report CMS-2023-042, Community Group Pavement Markings update be received.

And that Council direct Staff to review future recommendations made by community groups and provide recommendations for Council consideration when appropriate.

Background and Analysis

On June 19, Council received report INS-2023-043 regarding Community Group Pavement Markings. The markings are located on Mill Street (Rainbow), at Broadway and Wellington (Rainbow), and at Broadway and First Street (Indigenous). The report explained that traffic and winter maintenance operations have taken a considerable toll on the markings since they were installed in 2021. It was determined that maintenance could not reinstate the markings to their original condition and that replacement of the markings was the only effective way to continue with the display.

Staff evaluated the financial impact of the markings. The ongoing costs of replacement would require an annual commitment of \$20,000 to \$30,000 and would result in a service level change to the 2024 Operating Budget under Public Works for Council's consideration.

Even with ongoing replacement, the markings degrade quickly due to the volume of traffic travelling over the crosswalks. Because of this, the 2SLGBTQI+ and Indigenous markings are unrecognizable and do not reflect these groups appropriately and respectfully.

The outcome of the June report was as follows:

- That report INS-2023-043, Community Group Pavement Markings Update, be received;
- And that Council approve the removal of the crossings at a one-time cost of \$3000 - \$5000 and do not reapply any pavement markings;
- And that Council direct staff to look for different opportunities to recognize the LGBTQ+ and Indigenous Community;
- And that any future Community Group Pavement Marking requests, be denied.

Existing Recognition Opportunities

Before removing the markings, Staff recognized the importance of timely and effective communication to the community that included alternate forms of recognition.

Staff first identified existing and ongoing ways for community groups to be recognized by the Town of Orangeville including:

- Flag raising at Town Hall
- Proclamation by Town Council
- Promotion of tourism/culture-related events and initiatives on loveorangeville.ca and on the new digital sign at the Visitor Information Centre

In addition to these opportunities, the Town has also demonstrated its willingness to recognize community groups by supporting specific installations in local spaces. Led by community groups, these initiatives were supported by Council and Staff with committed resources that reflect the project's needs. Examples include:

- **Mino Kamik Medicine Wheel Garden:** Led by the Dufferin County Cultural Resource Circle (DCCRC), this dedicated space is part of Bravery Park and invites visitors to learn about indigenous traditions. It is often used to host DCCRC events and is promoted as a tourism asset throughout the community.
- **Crystal Queer public art installation:** This utility box and mural feature artwork created by participants of the GLOW Youth Group, a social and support group for LGBTQ2S+ youth. Both pieces aim to help community members better understand how to support and celebrate diverse experiences of gender and sexual identities. These installations are a result of collaboration between Dufferin Community and Family Services (DCAFS) and the Town.

Community engagement

Using these examples, Staff asked for recommendations from local stakeholders including the BIA, DCAFS, DCCRC, Celebrate Your Awesome event committee, and the Town's Equity, Diversity and Inclusion committee.

Some responses expressed disappointment in the decision to remove the crosswalks and suggested that other ways to maintain the crosswalks should be considered.

Staff reviewed other locations where the markings could be re-installed. Each location had similar challenges to the existing crosswalks or were in less prominent locations that would not create the same impact.

Other responses indicated that the existing opportunities were sufficient and valuable ways to demonstrate the Town's support of the 2SLGBTQI+ and Indigenous groups. Council's willingness to consider specific opportunities as they arise was considered important.

Additional recommendations received from the community included:

- Hanging banners on the six street poles located in downtown medians.
- Installing public art pieces - tree sculptures and utility boxes – that recognize community groups and rely on their input as part of the design process.
- Creating a physical space for community groups to safely gather and connect while accessing programming and resources.
- Developing new projects that allow contributions from individuals and community groups, like the mosaic mural installed in the Town Hall Atrium.

Any of these recommendations could be led by community groups, reviewed by Staff, and then presented to Council for consideration.

Strategic Alignment

Strategic Plan

Strategic Goal: Community Vitality

Objective: Vibrancy – Build a more inclusive community, and ensure citizen involvement

Sustainable Neighbourhood Action Plan

Theme: Social well-being

Strategy: Promote Orangeville as an engaged, inclusive community for all

Notice Provisions

None

Financial Impact

Through INS-2023-043, Council approved the removal of the crossings at a one-time cost of \$3000 - \$5000. Costs associated with existing opportunities and the Communication Plan are managed under current operating budgets. Any costs for new opportunities would be brought to Council for consideration.

Subject: Hansen Boulevard & Edgewood Valley Update

Department: Infrastructure Services

Division: Transportation and Development

Report #: INS-2023-060

Meeting Date: 2023-10-16

Recommendations

That report INS-2023-060, Hansen Boulevard and Edgewood Valley Update, be received.

Background and Analysis

The purpose of this report is to update Council on the progress of the Hansen Boulevard Creek Crossing (Bridge) Project and Staff's discussions with the Developer responsible for the subdivision development (Edgewood Valley Phase 2B) that will complete the Hansen Boulevard connection west of Blind Line.

Hansen Boulevard is a Major Collector Road spanning east to west across the northern part of the Town. Its designation in the Town's Official Plan as a "Major Collector Road" means that it is intended to facilitate traffic between various neighbourhoods in the area and throughout Town.

The current Hansen Boulevard alignment was established through an Environmental Assessment (EA) undertaken by the Town in 2006-2007. Construction of the road has been completed in segments, as subdivision areas containing the Hansen Boulevard alignment have proceeded to develop incrementally.

The final segment of Hansen Boulevard to be completed falls within two key areas:

- i) Middle Monora Creek crossing area, west of College Avenue; and
- ii) Development lands subject to draft plan of subdivision applications by NG Citrus Limited (an entity of Great Gulf), known as the Edgewood Valley Phase 2B Subdivision and the Aldenhill Subdivision, generally west of Blind Line

The creek crossing project was planned to be completed by the Town, because the crossing does not fall centrally within any specific subdivision area and is not clearly tied

to any specific development(s). Completion of the Hansen Boulevard road and underlying services connection was to be completed by the developer(s) responsible for the underlying subdivision area(s).

Staff coordinated the creek crossing project closely with the advancement of the nearby subdivision approvals (i.e. Edgewood Valley Phase 2B). This was to avoid completing the crossing project too early, which could result in the crossing works languishing while the subdivision approvals (and corresponding road construction) progress at the developer's pace. Waiting too late to complete the crossing could hold-up those same subdivision developments, or conflict with their construction activities.

Draft approval of the Edgewood Valley Phase 2B plan of subdivision was granted in February 2021. A condition of draft approval requires the developer to complete the entire remaining connection of Hansen Boulevard before final approval can be issued for the subdivision. Final approval of this subdivision must be granted before home construction can proceed. This means that all the related subdivision infrastructure (i.e. roads, services, etc.) internal to the Plan, and the Hansen Boulevard connection, must be completed before any home construction begins within the plan of subdivision.

Concurrent with the Phase 2B subdivision approval process, the design of the creek crossing project began in September 2020. Construction commenced in July 2022 and was completed in August of 2023. Although the construction presented challenges, the structure is now in place awaiting the developer's construction of the road as part of their subdivision advancement, which will link the west development area near Veteran's Way (i.e. Sarah Properties and Cachet Developments) to the rest of the Town's transportation network.

While the construction of the bridge was underway, Town Staff had been working with NG Citrus Limited (an entity of Great Gulf), the owner and developer of the Edgewood Phase 2B and Aldenhill subdivisions, to advance the Edgewood 2B plan through the final approval process. Great Gulf is responsible for the construction of the local roads and services within the subdivision, which is typical of any residential subdivision development. While completing those works, general practice with other developments has been for the developer to construct the extension of the collector road (Hansen Boulevard) to a full collector standard. In doing so, the developer incurs additional costs up-front for the oversizing portions of the roads and services and receives Development Charges Credits in exchange for those costs.

Current Status:

Staff had previously reported to Council that discussions were underway with the Developer and that according to those discussions, the timing of the completion of the bridge was starting to align with the completion of the earthworks (previously approved and already underway) and the start of servicing and road construction within the Edgewood 2B subdivision.

Staff had been meeting with the Developer's team on a regular basis. Those meetings had a number of benefits including negotiating a pre-servicing agreement, development charge credit agreement and finalizing the engineering design details of the subdivision. However, there have been some complexities with coordinating the construction permissions and development charges credit arrangements to complete this work. There are unique liability factors associated with the developer completing the road and underlying services in the vicinity of the creek crossing project. Essentially, the Town must ensure that there will be no damage or liabilities to the creek crossing due to the developer's road construction activities, whereas the developer wants to ensure that their road construction will not be adversely impacted by the underlying creek crossing. Furthermore, the developer has advised Town staff that recent changes in the economic landscape and market have impacted their operations.

Staff previously anticipated that the subdivision infrastructure and Hansen Boulevard construction would have commenced immediately following the completion of the creek crossing project. However, the aforementioned factors have seemingly delayed the commencement of the developer's construction activities. Staff now anticipate that this work would commence in early 2024, with the road being open to traffic in the late summer or fall.

Staff will provide a further update as discussions continue and advance.

Financial Impact

There are no direct financial considerations or impacts as a result of the recommendations within this report.

It should be noted that the Development Charges Agreement, which will consider any financial implications for the Town and the Developer, will be completed and attached to a separate report. This subsequent report, anticipated for later this year or early in 2024, will seek Council's approval.

**Subject: Ontario Housing Affordability Task Force
Recommendations, Feedback Request**

Department: Infrastructure Services

Division: Planning

Report #: INS-2023-064

Meeting Date: 2023-10-16

Recommendations

That report INS-2023-064, Ontario Housing Affordability Task Force Recommendations, Feedback Request, be received;

And that staff be directed to submit the comments contained in Attachment no. 3 to this report, to the Ministry of Municipal Affairs and Housing, in response to their request.

Background and Analysis

On December 6, 2021, the provincial government created the Ontario Housing Affordability Task Force, with a mandate of finding solutions to address the housing affordability crisis across the province. On February 8, 2022, the province released the [Report of the Ontario Housing Affordability Task Force](#), which contained a total of seventy-four (74) specific recommendations (55 referenced in the report) aimed at increasing the supply of market housing throughout Ontario. A summary list of the Task Force Report recommendations is included in Attachment no. 1.

Since the release of this report, the province has moved forward to implement these recommendations, with twenty-three (23) items fulfilled to date. This has included enactment of key legislation changes, including:

- i) Bill 109: More Homes for Everyone Act, 2022
- ii) Bill 23: More Homes Built Faster Act, 2022
- iii) Bill 97: Helping Homebuyers, Protecting Tenants Act, 2023

On September 15th, the Minister of Municipal Affairs and Housing (MMAH) issued a letter to all municipal heads of council requesting feedback on what municipalities would consider to be their top five (5) recommendations most useful in increasing housing

supply within their communities. The requested feedback could also include advice relating to how an existing recommendation has been implemented. A copy of the letter is included as Attachment no. 2.

Staff have reviewed the list of recommendations contained in the Task Force Report and highlighted six (6) recommendations that are believed to be the most effective for delivering more housing in Orangeville. These recommendations are focused on:

- i) supporting more efficiencies in the planning approval process (no's 13, 14, 15 and 50);
- ii) providing more support and clearer policies for affordable housing (no. 42 and 65); and
- iii) stimulating more expedited commencement of construction following planning approvals (no. 43).

The highlighted recommendations are described in further detail in Attachment no. 3.

Staff are seeking Council direction to submit these recommendations to the Ministry in response to their request.

Strategic Alignment

Strategic Plan

Strategic Goal: Economic Resilience

Objective: Ensure availability and affordability of employment lands and housing

Sustainable Neighbourhood Action Plan

Theme: Land Use and Planning

Strategy: Co-ordinating land use and infrastructure planning to promote healthy, liveable and safe communities

Notice Provisions

Not applicable

Financial Impact

There are no direct financial implications expected to occur as a result of the recommendations within this report. Having said that, staff are continuing to monitor provincial correspondence and announcements on what, if any, additional funding will be provided to municipalities to assist the province in meeting their housing targets.

1. List of Ontario Housing Affordability Task Force Report Recommendations
2. MMAH Letter
3. Top 5 recommendations response

Ontario Housing Supply Task Force Report (2022): List of Recommendations

Increasing Housing Supply	
1.	Goal of building 1.5 million new homes in 10 years
2.	Amend the Planning Act, Provincial Policy Statement, and Growth Plans to set “growth in the full spectrum of housing supply” and “intensification within existing built-up areas” of municipalities as the most important residential housing priorities in the mandate and purpose
Making more land available to build, with more flexible rules	
3.	Limit exclusionary zoning in municipalities through binding provincial action: a) Allow “as of right” residential housing up to four units and up to four storeys on a single residential lot. b) Modernize the Building Code and other policies to remove any barriers to affordable construction and to ensure meaningful implementation (e.g., allow single-staircase construction for up to four storeys, allow single egress, etc.)
4.	Permit “as of right” conversion of underutilized or redundant commercial properties to residential or mixed residential and commercial use.
5.	Permit “as of right” secondary suites, garden suites, and laneway houses province-wide
6.	Permit “as of right” multi-tenant housing (renting rooms within a dwelling) province-wide
7.	Encourage and incentivize municipalities to increase density in areas with excess school capacity to benefit families with children
8.	Allow “as of right” zoning up to unlimited height and unlimited density in the immediate proximity of individual major transit stations within two years if municipal zoning remains insufficient to meet provincial density targets.
9.	Allow “as of right” zoning of six to 11 storeys with no minimum parking requirements on any streets utilized by public transit (including streets on bus and streetcar routes).
10.	Designate or rezone as mixed commercial and residential use all land along transit corridors and redesignate all Residential Apartment to mixed commercial and residential zoning in Toronto.
11.	Support responsible housing growth on undeveloped land, including outside existing municipal boundaries, by building necessary infrastructure to support higher density housing and complete communities and applying the recommendations of this report to all undeveloped land.
12.	Create a more permissive land use, planning, and approvals system: <ul style="list-style-type: none"> a) Repeal or override municipal policies, zoning, or plans that prioritize the preservation of physical character of neighbourhood b) Exempt from site plan approval and public consultation all projects of 10 units or less that conform to the Official Plan and require only minor variances c) Establish province-wide zoning standards, or prohibitions, for minimum lot sizes, maximum building setbacks, minimum heights, angular planes, shadow rules, front doors, building depth, landscaping, floor space index, and heritage

Ontario Housing Supply Task Force Report (2022): List of Recommendations

	view cones, and planes; restore pre-2006 site plan exclusions (colour, texture, and type of materials, window details, etc.) to the Planning Act and reduce or eliminate minimum parking requirements; and d) Remove any floorplate restrictions to allow larger, more efficient high-density towers.
De-politicizing the planning process	
13.	Limit municipalities from requesting or hosting additional public meetings beyond those that are required under the Planning Act.
14.	Require that public consultations provide digital participation options.
15.	Require mandatory delegation of site plan approvals and minor variances to staff or pre-approved qualified third-party technical consultants through a simplified review and approval process, without the ability to withdraw Council's delegation.
16.	Prevent abuse of the heritage preservation and designation process by: a) Prohibiting the use of bulk listing on municipal heritage registers b) Prohibiting reactive heritage designations after a Planning Act development application has been filed
17.	Requiring municipalities to compensate property owners for loss of property value as a result of heritage designations, based on the principle of best economic use of land.
18.	Restore the right of developers to appeal Official Plans and Municipal Comprehensive Reviews
Building faster and reducing process costs	
19.	Legislate timelines at each stage of the provincial and municipal review process, including site plan, minor variance, and provincial reviews, and deem an application approved if the legislated response time is exceeded.
20.	Fund the creation of "approvals facilitators" with the authority to quickly resolve conflicts among municipal and/or provincial authorities and ensure timelines are met.
21.	Require a pre-consultation with all relevant parties at which the municipality sets out a binding list that defines what constitutes a complete application; confirms the number of consultations established in the previous recommendations; and clarifies that if a member of a regulated profession such as a professional engineer has stamped an application, the municipality has no liability and no additional stamp is needed.
22.	Simplify planning legislation and policy documents.
23.	Create a common, province-wide definition of plan of subdivision and standard set of conditions which clarify which may be included; require the use of standard province-wide legal agreements and, where feasible, plans of subdivision.
24.	Allow wood construction of up to 12 storeys.

Ontario Housing Supply Task Force Report (2022): List of Recommendations

25.	Require municipalities to provide the option of pay on demand surety bonds and letters of credit.
Streamline the appeal process and preventing abuse	
26.	Require appellants to promptly seek permission (“leave to appeal”) of the Tribunal and demonstrate that an appeal has merit, relying on evidence and expert reports, before it is accepted.
27.	Prevent abuse of process: <ul style="list-style-type: none"> a) Remove right of appeal for projects with at least 30% affordable housing in which units are guaranteed affordable for at least 40 years. b) Require a \$10,000 filing fee for third-party appeals. c) Provide discretion to adjudicators to award full costs to the successful party in any appeal brought by a third party or by a municipality where its council has overridden a recommended staff approval.
28.	Encourage greater use of oral decisions issued the day of the hearing, with written reasons to follow, and allow those decisions to become binding the day that they are issued.
29.	Where it is found that a municipality has refused an application simply to avoid a deemed approval for lack of decision, allow the Tribunal to award punitive damages.
30.	Provide funding to increase staffing (adjudicators and case managers), provide market-competitive salaries, outsource more matters to mediators, and set shorter time targets.
31.	In clearing the existing backlog, encourage the Tribunal to prioritize projects close to the finish line that will support housing growth and intensification, as well as regional water or utility infrastructure decisions that will unlock significant housing capacity.
Reducing the costs to build homes	
32.	Waive development charges and parkland cash-in-lieu and charge only modest connection fees for all infill residential projects up to 10 units or for any development where no new material infrastructure will be required.
33.	Waive development charges on all forms of affordable housing guaranteed to be affordable for 40 years.
34.	Prohibit interest rates on development charges higher than a municipality’s borrowing rate.
35.	Regarding cash in lieu of parkland, s.37, Community Benefit Charges, and development charges: <ul style="list-style-type: none"> a) Provincial review of reserve levels, collections and drawdowns annually to ensure funds are being used in a timely fashion and for the intended purpose, and, where review points to a significant concern, do not allow further collection until the situation has been corrected. b) Except where allocated towards municipality-wide infrastructure projects, require municipalities to spend funds in the neighbourhoods where they were

Ontario Housing Supply Task Force Report (2022): List of Recommendations

	collected. However, where there's a significant community need in a priority area of the City, allow for specific ward-to-ward allocation of unspent and unallocated reserves.
Reducing costs of rental and home ownership	
36.	Recommend that the federal government and provincial governments update HST rebate to reflect current home prices and begin indexing the thresholds to housing prices, and that the federal government match the provincial 75% rebate and remove any clawback.
37.	Align property taxes for purpose-built rental with those of condos and low-rise homes.
38.	Amend the Planning Act and Perpetuities Act to extend the maximum period for land leases and restrictive covenants on land to 40 or more years.
39.	Eliminate or reduce tax disincentives to housing growth.
40.	Call on the Federal Government to implement an Urban, Rural and Northern Indigenous Housing Strategy.
41.	Funding for pilot projects that create innovative pathways to homeownership, for Black, Indigenous, and marginalized people and first-generation homeowners.
42.	Provide provincial and federal loan guarantees for purpose-built rental, affordable rental and affordable ownership projects.
Investing in municipal infrastructure to support housing	
43.	Enable municipalities, subject to adverse external economic events, to withdraw infrastructure allocations from any permitted projects where construction has not been initiated within three years of build permits being issued.
44.	Work with municipalities to develop and implement a municipal services corporation utility model for water and wastewater under which the municipal corporation would borrow and amortize costs among customers instead of using development charges.
Creating the labour force needed to deliver more housing	
45.	improve funding for colleges, trade schools, and apprenticeships; encourage and incentivize municipalities, unions and employers to provide more on-the-job training.
46.	Undertake multi-stakeholder education program to promote skilled trades.
47.	Recommend that the federal and provincial government prioritize skilled trades and adjust the immigration points system to strongly favour needed trades and expedite immigration status for these workers, and encourage the federal government to increase from 9,000 to 20,000 the number of immigrants admitted through Ontario's program.
Creating an incentive-based provincial fund that supports housing approval delivery	
48.	The Ontario government should establish a large "Ontario Housing Delivery Fund" and encourage the federal government to match funding. This fund should reward:

Ontario Housing Supply Task Force Report (2022): List of Recommendations

	a) Annual housing growth that meets or exceeds provincial targets b) Reductions in total approval times for new housing c) The speedy removal of exclusionary zoning practices
49.	Reductions in funding to municipalities that fail to meet provincial housing growth and approval timeline targets.
50.	Fund the adoption of consistent municipal e-permitting systems and encourage the federal government to match funding. Fund the development of common data architecture standards across municipalities and provincial agencies and require municipalities to provide their zoning bylaws with open data standards. Set an implementation goal of 2025 and make funding conditional on established targets.
51.	Require municipalities and the provincial government to use the Ministry of Finance population projections as the basis for housing need analysis and related land use requirements.
Monitoring and Implementation	
52.	Resume reporting on housing data and require consistent municipal reporting, enforcing compliance as a requirement for accessing programs under the Ontario Housing Delivery Fund.
53.	Report each year at the municipal and provincial level on any gap between demand and supply by housing type and location, and make underlying data freely available to the public.
54.	Empower the Deputy Minister of Municipal Affairs and Housing to lead an all-of-government committee, including key provincial ministries and agencies, that meets weekly to ensure our remaining recommendations and any other productive ideas are implemented.
55.	Commit to evaluate these recommendations for the next three years with public reporting on progress

September 15, 2023

Dear Head of Council,

**Subject: Responding to the Housing Affordability Task Force's
Recommendations**

As you know, in February 2022, the Housing Affordability Task Force delivered [its final report](#) with recommendations to help Ontario tackle the housing supply crisis and build at least 1.5 million homes by 2031. Including sub-items and appendices, the Task Force made 74 unique recommendations, some of which apply to all communities in Ontario, with others more specific to large and urban municipalities. While Ontario has made progress in acting on these recommendations — with 23 implemented to date helping to achieve the highest level of housing starts in over three decades — as the province grows at incredible speed, all levels of government need to do more.

To bring the dream of home ownership into reach for more people, I have asked my ministry to renew its efforts to review and, where possible, implement the Task Force's remaining recommendations with minimal delay. As part of that review, I am asking for you, as head of council, to prioritize your top five recommendations for future consideration. For these top five priorities, this could include your advice to revisit the way a recommendation has been implemented up to this point, as well as how some of the recommendations could or should be implemented with amendments.

Accompanying this letter, you will find a chart with space to rank the top five Task Force recommendations. While I know that some of the recommendations may not be applicable to all small, rural, and Northern communities, I ask that you rank those recommendations that you feel would be, or have been, the most useful in increasing housing supply in your community.

As we look to do more to solve the housing supply and affordability crisis together, it's important for the province to have a full understanding of our municipal partners' positions on these recommendations as quickly as possible. I ask that you **please return the completed chart to housingsupply@ontario.ca no later than October 16, 2023.**

.../2

I look forward to continuing our work together to ensure that more people can afford a place to call home.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Paul Calandra', with a large circular flourish at the beginning and a horizontal line at the end.

The Hon. Paul Calandra
Minister of Municipal Affairs and Housing

c: Hon. Rob Flack, Associate Minister of Housing
Kirstin Jensen, Interim Chief of Staff, Minister's Office
Martha Greenberg, Deputy Minister
Joshua Paul, Assistant Deputy Minister, Market Housing Division
Sean Fraser, Assistant Deputy Minister, Planning and Growth Division
Caspar Hall, Assistant Deputy Minister, Local Government Division

Attachment:

Top Five Housing Affordability Task Force (HATF) Recommendations for Response

Attachment: Top Five Housing Affordability Task Force (HATF) Recommendations for Response

Please identify the top 5 HATF recommendations that you support, and rationale / comments	
1.	<p>13. Limit municipalities from requesting or hosting additional public meetings beyond those that are required under the Planning Act.</p> <p>14. Require that public consultations provide digital participation options.</p> <p>The Town of Orangeville supports this initiative to streamline the public participation process (i.e. limit the number of public meetings held) and provide more diverse options for public engagement by offering digital participation options. This should be a priority as it will streamline the engagement and consultation component of an application process, making it more efficient overall and supporting more timely approvals for housing-related planning applications.</p> <p>There are circumstances where more than one public meeting makes sense, such as where a development proposal changes significantly, or where there is an extensive time lag from when an earlier public meeting was held. However, having additional public meetings in a planning application process causes duplication in process and can raise confusion in the community. Following the current statutory requirements under the Planning Act helps streamline this process for public engagement and will enable municipalities to issue final approval closer to the timelines prescribed by the Planning Act.</p> <p>Requiring digital participation options, along with more emphasis on making materials and information available digitally will help improve community engagement on a planning application in a more efficient manner.</p>
2.	<p>15. Require mandatory delegation of site plan approvals <u>and minor variances</u> to staff or pre-approved qualified third-party technical consultants through a simplified review and approval process, without the ability to withdraw Council's delegation.</p> <p>The Town supports this initiative, provided that it is clarified to stipulate that it is only minor variances related to a site plan approval application involving residential and ICI developments that require approval delegation to staff. This would supplement the current requirement for site plan approval authority delegation to staff and allow any related minor variance approvals to be processed concurrently. Other minor variance matters (i.e. unrelated to a site plan approval) should remain subject to the Committee of Adjustment approval process, retaining important community engagement and transparent decision-making that forms part of that process.</p>

3.	<p>42. Provide provincial and federal loan guarantees for purpose-built rental, affordable rental and affordable ownership projects.</p> <p>The Town supports this initiative as it will stimulate more purpose-built affordable housing projects for rental and ownership tenures. Please also refer to the Town's comments on the recommended priority Task Force Recommendation No. B-2 below.</p>
4.	<p>43. Enable municipalities, subject to adverse external economic events, to withdraw infrastructure allocations from any permitted projects where construction has not been initiated within three years of build permits being issued.</p> <p>The Town supports this initiative as a priority to ensuring developments commence construction in a timely fashion following planning approval decisions. However, this recommendation should specify that infrastructure allocations would be withdrawn where construction has not commenced within three years of certain planning approvals being granted (not building permit issuance), such as a zoning by-law amendment, site plan approval, holding (H) zone symbol removal, etc. This approach would also be harmonized with the lapsing provisions for draft plan of subdivision approvals under the Planning Act. Furthermore, the Building Code Act already allows a Chief Building Official to revoke a building permit where substantial construction has not commenced within six months of a building permit issuance.</p> <p>There can often be extensive delay or inactivity on a development site following land use approvals for a number of reasons. This holds servicing allocation in abeyance and makes it difficult to apportion servicing allocation to other developments underway, especially where municipal infrastructure is at or near capacity. To address these challenges, the Town utilizes a servicing allocation policy and Holding (H) Zone symbol to regulate servicing allocation. However, a more supportive legislative framework to this effect would give more incentive to move land use-approved developments forward expeditiously.</p>
5.	<p>50. Fund the adoption of consistent municipal e-permitting systems and encourage the federal government to match funding. Fund the development of common data architecture standards across municipalities and provincial agencies and require municipalities to provide their zoning bylaws with open data standards. Set an implementation goal of 2025 and make funding conditional on established targets.</p> <p>The Town of Orangeville supports this as a key initiative to assist with more consistent and streamlined application processes. The Town is actively developing an e-permitting platform for our planning and building permit application processes and have consulted with other similar municipalities for feedback and insight as we move forward with this initiative. There are many e-permitting solutions available in the marketplace. Many municipalities have adopted different platforms, many have not, and others may be pursuing a similar initiative. This creates a very diverse submission and processing experience for applicants pursuing approvals across different municipalities. Adoption of a</p>

	consistent platform with related funding support for implementation and training would address inconsistencies and streamline processes across municipalities.
	<p>B-2) Develop and legislate a clear, province-wide definition of “affordable housing” to create certainty and predictability.</p> <p>The Town supports this recommendation as a way to provide clear direction for developing an affordable housing-supportive policy framework. This definition should stipulate clear, measurable parameters for “affordability” that are tied to housing market rates (market rental and purchase prices) and household income levels at the corresponding local or regional context. This will provide certainty for affordable housing.</p> <p>Furthermore, the Town recommends that the inclusionary zoning provisions of the Planning Act be strengthened to enable all municipalities (not just those municipalities containing protected major transit station areas, using a Community Planning Permit System, or which may be prescribed by regulation) to authorize the use and application of inclusionary zoning. This would enable more municipalities like Orangeville to develop and implement inclusionary zoning policies and regulations to require the provision of affordable housing units within new development and redevelopment projects.</p>

Subject: Joint Municipal Water Supply Management Model: Tier 3 Update

Department: Infrastructure Services

Division: Capital Works

Report #: INS-2023-065

Meeting Date: 2023-10-16

Recommendations

That report INS-2023-065, Joint Municipal Water Supply Management Model: Tier 3 Update, be received;

And that Council direct Staff to proceed with updating the Tier 3 Water Budget Study as set out in Report INS-2023-065 and the Joint Water Supply Management Model agreement.

Background and Analysis

A Municipal Class Environmental Assessment recommending a new groundwater pumping well at the Pullen Well Site located in the Township of Amaranth on County Road 16 was completed in 2022. Additional technical work is required to address Source Protection Planning requirements due to amendments to the Safe Drinking Water Act, 2002 and Clean Water Act, 2006 passed in 2018. This includes updating the Tier Three Water Budget model and Local Area Risk Assessment Report. Water budget and water quantity risk assessments help understand water availability, water movement, water uses, and water stresses within an area's watersheds.

The current model was developed in 2011 based on data available in 2008. Using data from 2008 to 2022, a consultant would update the current model and complete various simulations of groundwater risk scenarios. The updated Assessment Report must be completed and accepted by the Source Protection Authority. Additionally, approval by the MECP of an updated Source Protection Plan is needed before being able to provide water to the public.

The Township of East Garafraxa, The Township of Amaranth, The Town of Mono and the Town of Orangeville executed the Joint Water Supply Management Model agreement in 2023, which is included as an appendix to this report, and outlines the framework to initiate the process to update and re-run the model. The agreement conditions indicate that the recommendation to proceed with the update and re-run of the models must be communicated to each Council for a Resolution.

Staff have met with representatives from each of the municipalities to discuss the update to the model. Letters have been sent to the three (3) municipalities requesting endorsement by their respective Councils for the Town of Orangeville to develop a procurement document that will retain a consultant to update the model, complete the technical work, and support the process to satisfy requirements of the Source Protection Authority. The Terms of Reference, which will explain the scope of work and tasks to be performed, will be reviewed by a technical steering committee set up to oversee the work prior to issuing. The costs associated with the work will be apportioned using the Cost Allocation Approach in Schedule A of the existing Joint Municipal Water Management agreement.

Financial Impact

CVSPA staff, in collaboration with the Town of Orangeville and support from the CTC SPC representative for the Dufferin County group of municipalities, Chris Gerrits, submitted a business case to MECP in the fall of 2023. The business case highlighted the importance of the Joint Municipal Water Management Model Agreement and how provincial support will help the implementation and reinforcing the agreement. On the Sep 29th MECP announced up to \$100k funding for this project. This funding will be provided through the current Transfer of Payment Agreement for CTC DWSP which requires the technical work to be substantially completed by the end of March 2024. Any cost more than \$100k will be apportioned using the cost allocation approach in Schedule A of the agreement. We are following up with the MECP to see if it is possible to extend the deadline of March 2024. The Town's share of the cost will be funded by Capital Project number 13950.0000 – Water Supply.

Attachment(s): Joint Municipal Water Management Agreement between the Township of East Garafraxa, Township of Amaranth, Town of Mono and Town of Orangeville

JOINT MUNICIPAL WATER MANAGEMENT AGREEMENT

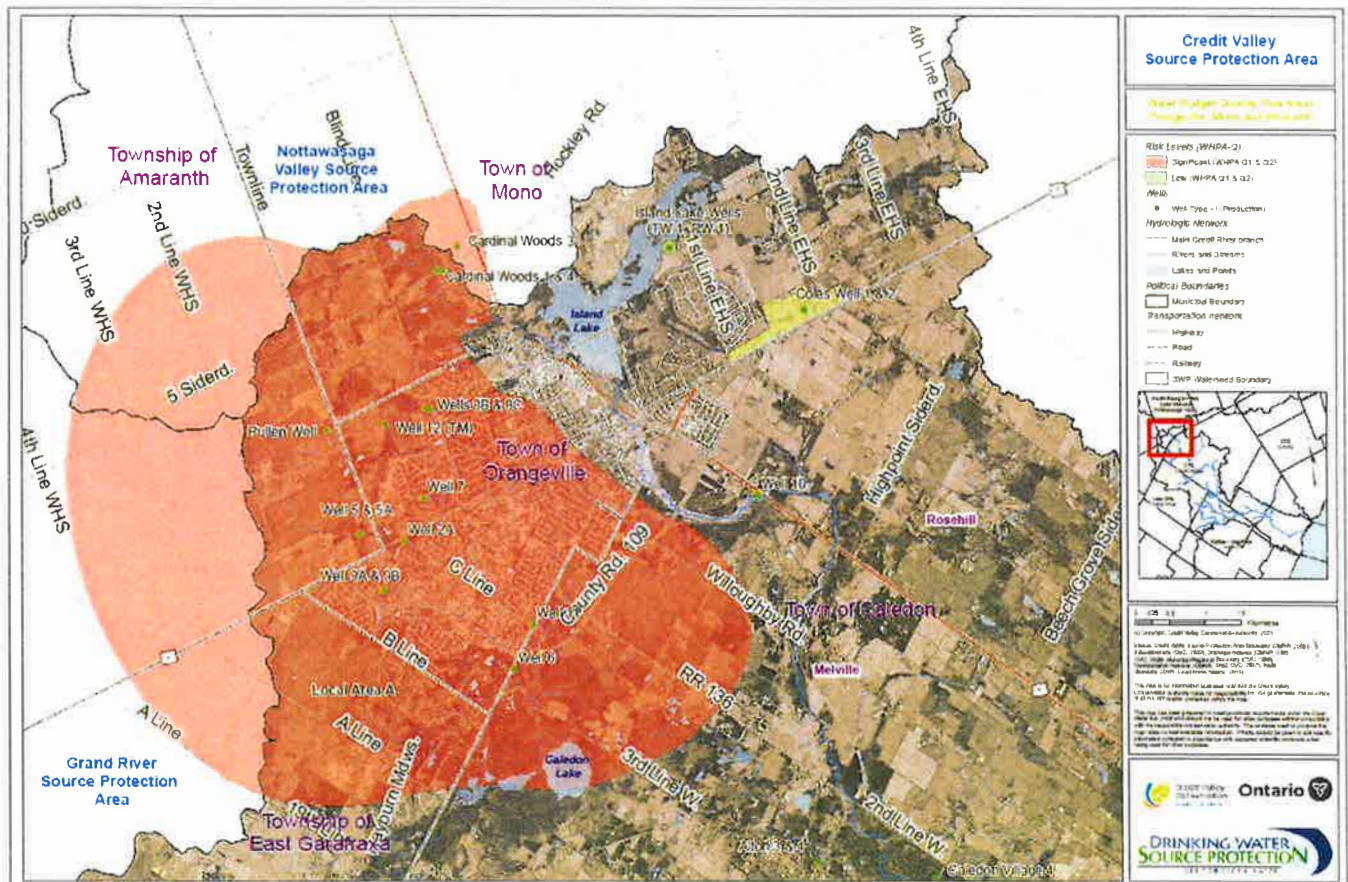

This **Joint Water Supply Management Model** agreement is made between:

THE TOWNSHIP OF EAST GARAFRAXA, THE TOWNSHIP OF AMARANTH, THE TOWN OF MONO AND THE TOWN OF ORANGEVILLE

Background:

Through the research and analysis of groundwater supplies completed as part of the Source Water Protection Assessment process, a subwatershed within the Credit Valley, Toronto Region and Central Lake Ontario Source Protection Region was identified as having moderate to significant potential for water quantity stress. The subwatershed, known as Subwatershed 19, includes lands within the municipalities of East Garafraxa, Amaranth, Town of Mono, and Town of Orangeville. A Tier 3 Water Budget was completed for the subwatershed to examine the groundwater response to different climate, pumping and recharge scenarios. The result of the Tier 3 study was the identification of an area within Subwatershed 19, referred to as 'Local Area A' where drinking water quantity threats are characterized as being at significant risk. Local Area A encompasses existing and planned municipal well supplies for Amaranth, Mono and Orangeville.

Local Area A

Given the results of the Tier 3 Water Budget, the three Source Protection Regions that are located within Local Area A, implemented specific policies for Local Area A within their Source Protection Plans. The policies require the four municipalities with lands located in Local Area A to develop a Joint Municipal Water Supply Management Model and an agreement to implement the recommendations of the approved Model. The Model is to facilitate planning and management of the shared groundwater resource and to ensure water quality and quantity is maintained or improved and that activities are not and do not become significant drinking water quantity threats.

To address the requirements of the Source Protection Plans, the four municipalities joined with Dufferin County to form a working group. On behalf of the County, B. M. Ross and Associates was retained to identify and evaluate existing water management models, develop and recommend a model to meet the requirements of the Source Protection Policy in the context of the existing municipal water supplies.

This agreement has been developed from the recommendations from the consultants and subsequent negotiations between the four municipalities as a basis for implementation of approved recommendations.

The complete form of this agreement is comprised of an agreement with one schedule (A).

The following terms represent the general intent and a framework for the proposed four-party agreement:

1. Each municipality agrees to manage water taking and aquifer recharge to minimize impacts to the groundwater resource. They commit to do this by implementing established Risk Management Measures and Best Practices for both water taking and controlling recharge reduction.
2. Each municipality commits to accumulate and share information annually, regarding both municipal water taking and new development or re-development within the Local Area boundaries.

Model Update Frequency Triggers and Conditions

3. At least once every four years, and at least eighteen months prior to the end of a term of Council, representatives of each municipality will meet and determine the necessity to initiate a process to update and re-run the hydrologic and hydrogeologic models to determine if the threat to the groundwater resource has changed. Model updates will additionally abide by the following threshold triggers and conditions:
 - a. If annual water taking for the entire Local Area, based on a running average of the previous four years, has increased by 5% or more since the previous review, the decision will normally be to update and re-run the models.
 - b. If new development or re-development has occurred on 5% or more of the lands within the Local Area, the decision will normally be to update and re-run the models.
 - c. The recommendation to proceed or defer the update and re-run of the models must be communicated to each Council for a Resolution.
 - d. A decision to proceed will require the consent of at least three municipalities.
 - e. A decision to defer will require the unanimous consent of all four municipalities.
 - f. In the event of a dispute regarding any clauses captured under Section 3, the municipalities will proceed to third party arbitration to come to a resolution.
 - g. The first meeting shall occur no later than May 31st, 2025.

Risk Assessment and Peer Review

4. The update and re-run of the Models shall establish if the percentage impact to each municipality as a result of municipal pumping and land development and shall provide a review of the risk management measures undertaken including an opinion of their effectiveness. These conclusions will be presented to Council with the all relevant technical details per section 3.
5. The decision as to who undertakes the actual work of updating and re-running the models and managing the process can be made by a majority of the municipalities. They can choose to have a 3rd party undertake the assignment including management. The decision as to who undertakes the work of updating and re-running the models will be determined through a pre-established RFP Evaluation Process. As part of the work, the Credit Valley Source Protection Authority (CVSPA) in collaboration with the other Source Protection Regions (SPRs) with related policies, may be requested to provide oversight to ensure

that all technical and Source Protection Plan requirements are covered by the consultant Terms of Reference.

6. The update and re-run of the Models shall be based on the most recently updated versions per confirmation by the CVSPA or their agent in collaboration with the other relevant SPRs.
7. Upon completion, any, and all new updates will be peer reviewed by the CVSPA or their agent in collaboration with the other relevant SPRs.
8. Each consecutive model update must be dated, affixed a version number, and shared with the participating Municipalities, the CVSPA or its agent for storage, future use and incorporation into the authoritative model suite for the CTC Source Water Protection Region.

Communications

9. The consultant who has been retained to complete the update and re-run of the model will be responsible for making recommendations to the municipalities and the municipalities will be responsible for the determination of how to adopt and implement the recommendations.

Costs

Cost allocation, as suggested in the terms of the BM Ross study, may be addressed in two ways. Costs may be allocated based on a formula considering both water taking and new development, both of which contribute to groundwater risk. The allocation should also recognize a minimum cost to municipalities, reflecting that management of the groundwater resource benefits all. A cost allocation methodology is presented in Schedule A as an example of the recommended apportionment of costs. This will serve as the default formulation notwithstanding the ability of the Municipalities to make alternate arrangements for a particular study.

10. The costs of updating and re-running the models will be based on a formula that considers both water taking and the area of development and re-development that has occurred since the previous review and decision.
11. Notwithstanding schedule A a minimum of \$1000 for the cost of updating and re-running the models will be borne by each municipality irrespective of if a taking or the development is inside the boundaries of any of the municipalities that are party to this agreement.
12. No municipality shall contribute less than the pre-defined amount of the cost of updating and rerunning the models.

Dispute Resolution

13. If the required consensus, as set out above, cannot be reached the municipalities agree to enter into mediation to resolve the matter.
14. If mediation is not successful, the parties agree that the matter will be settled in accordance with Section 15 of the Municipal Arbitrations Act, R.S.O. 1990, c. M.48..

15. All costs of mediation and further review, if necessary, shall be shared in the same manner as the cost of updating and re-running the models.

I/We have authority to bind the Corporation

SCHEDULE A
COST ALLOCATION APPROACH

The terms of agreement address cost allocation and include two main principles:

- The formula will allocate costs considering both water taking and new development. Both components contribute to the risk.
- There is a minimum cost to each municipality recognizing the fact that all benefit from management of the groundwater resource. Further, as set out in the terms of agreement, each municipality has a single vote regarding a decision to incur costs (i.e. update and re-run the models). To be fair, equal participation in the decision must come with a financial commitment.

To determine an appropriate split between water taking and new development, reference was made to Table 3 in the Risk Management Pilot Study report (Matrix Solutions Inc, 2014) which identified the percentage of the safe additional drawdown that would occur at each well as a consequence of both water taking and recharge reduction resulting from development. To understand the relative importance of each activity the average percent impact at the well sources was calculated. Table 1, summarizes the information.

Table 1
Predicted Impacts of Water Taking and Recharge Reduction

Well	Predicted % Impact	
	Water Taking	Recharge Reduction
2A	47	17
5/5A	18	77
6	79	12
7	46	9
8B	19	6
8C	19	6
9A/9B	8	49
11	43	5
12	40	7
Pullen	9	3
Carinal Woods 1	8	5
Cardinal Woods 2	986	11
Average %	35.2	17.3

Notes: Values taken from Risk Management Pilot Study Report, Table 3.

Based on the above Table 1, and considering a minimum cost to each municipality, water taking is approximately twice as significant as recharge reduction related to development. It is agreed that 67% of the balance of allocated costs be assigned to increased Municipal well pumpage and 33% to approved development/re-development.

It is agreed that water taking would be the current running average of the annual flows over the previous four years. This will smooth out usage values impacted by growth or environmental conditions (e.g. a dry summer with increased lawn watering). Only wells within the Local Area would be considered.

It is agreed that development would be measured as hectares of development or re-

development that has occurred since the modelling was previously completed.

Example Calculation

The following provides an example of how costs will be allocated. For this example, we have assumed the modelling expense will be \$100,000. This example is for illustration purposes only and the actual amounts allocated by each municipality will be determined when modeling is undertaken based on the actual details of water taking and development.

Scenario Details

Municipality	Water Taking¹ (m³/d)	Development² (ha)
Amaranth	0	25.3
East Garafraxa	0	0
Mono	336 ³	0
Orangeville	7,904 ⁴	5.5
Totals	8,240	30.8

- Notes:
1. Water taking is the average of 4 previous years.
 2. Development (including re-development) is the total since previous modelling.
 3. Cardinal Woods Wells only.
 4. Excludes Well 10.

Allocation Rules and Assumptions

- 67% is allocated to water taking
- 33% is allocated to development
- Total cost to update and re-run models is \$100,000
- Minimum allocation is \$1000

Amaranth Cost

- For water taking $\frac{0}{8240} \times 0.67 \times \$100,000 = \$0$
- For Development $\frac{25.3}{30.8} \times 0.33 \times \$100,000 = \$27,107$
- Total for Amaranth \$27,107

Orangeville Cost

- For water taking $\frac{7904}{8240} \times 0.67 \times \$100,000 = \$64,268$
 - For Development $\frac{5.5}{30.8} \times 0.33 \times \$100,000 = \$5,893$
- Total for Orangeville \$70,161

Summary for Example

Municipality	Initial Calculation	Adjusted for 5% Minimums
Amaranth	\$27,107	\$26,836
East Garafraxa	\$0	\$1,000
Mono	\$2,732	\$2,705
Orangeville	\$70,161	\$69,459
Total	\$100,000	\$100,000

- The above analysis is an example of how the breakdown of costs per \$100,000 per this agreement as it relates to sharing of expenses related to updating and re-running the models.

Report

Subject: Engineering Services – Reconstruction of Cardwell Street and Dawson Road

Department: Infrastructure Services

Division: Capital Works

Report #: INS-2023-066

Meeting Date: 2023-10-16

Recommendations

That report INS-2023-066, Engineering Services – Reconstruction of Cardwell Street and Dawson Road, be received;

And that Council approve the transfer of funds in the amount of \$23,910.00 from Project # 31122.0000 to Project # 31121.0000

Background and Analysis

The reconstruction of Cardwell Street between Townline and Princess and Dawson between Broadway and Centennial Road have been identified and approved in principle as part of the 10-year Capital Forecast. Better pricing of construction projects can generally be realized by tendering the projects as early in the new year as possible. In an effort to benefit from this early season pricing, the design and tendering of these projects was included within the approved 2023 Capital Budget.

A third Project; number 31122.0000 was also approved in the 2023 for the Engineering Services for the Reconstruction of Cardwell between Princess Street and Dufferin Street, with the construction of this section now planned for 2028.

RFP-2023-098 - Engineering Services for the Reconstruction/Resurfacing of Cardwell Street, Townline to Princess Street and Dawson Road, Broadway to Centennial Road closed on July 11, 2023.

The scope of work under RFP-2023-098 includes:

- Pre-Engineering services
- Engineering design
- Contract writing
- Construction inspection
- Project Management

Analysis

Labour shortages and current higher workloads in the construction industry are impacting recent tender pricing for Town projects.

The 2023 approved Capital Budget allocated funding in the amount of \$80,000 under Capital Project Number 31121.0000 for the Engineering services for the Reconstruction of Cardwell Street between Townline and Princess Street and \$66,000 under Capital Project Number 26043.0000 for Engineering Services for the Resurfacing and new watermain placement of Dawson Road between Townline and Centennial Road. The amount of funding available from these two (2) Capital Projects is \$146,000.

A third Project, number 31122.0000, was approved within the 2023 Capital Budget for the Engineering Services for the Reconstruction of Cardwell between Princess Street and Dufferin Street in the amount of 90,000, with the construction of this section now planned for 2028.

RFP-2023-098 - Engineering Services for the Reconstruction/Resurfacing of Cardwell Street, Townline to Princess Street and Dawson Road, Broadway to Centennial Road was issued in July of 2023.

Seven bids were received by the submission deadline of August 15, 2023.

Acadia Engineering Inc.

Aplin & Martin Consultants Ltd.

Chisholm Fleming & Associates

Concept Dash Inc.

The Jones Consulting Group Ltd

R.J. Burnside & Associates Limited

Triton Engineering Services Limited

An evaluation committee of three (3) staff members reviewed the seven (7) proposals and conducted a consensus evaluation meeting. Their review agreed that three (3) of the proposals did not meet the technical criteria to consider those financial bids. The consensus team evaluated the technical core and financial bids of the remaining four (4) submissions and determined that Triton Engineering Services Limited was the preferred bidder. The submitted bid price of \$167,000 is more than the current allocation of \$146,000, thus leaving a shortfall in the approved funding in the amount of \$21,000. All amounts exclude HST.

Strategic Alignment

Strategic Plan

Strategic Goal: Future Readiness

Objective: Sustainability - Secure the financial viability of the municipality

Sustainable Neighbourhood Action Plan

Theme: Transportation system

Strategy: Promoting a shift to more sustainable and efficient transportation to move people and goods

Notice Provisions

N/A

Financial Impact

Total Design and Engineering	\$167,000.00
HST Impact (1.76%)	\$2,940.00
Current Budget Allocation (Projects # 31121.000 & # 26043.000)	\$146,000.00
Additional Funding Required	(\$23,910.00)

In accordance with the Town's current procurement practices, staff must obtain Council direction when a project is in need of additional funding of over \$5,000 from the approved budget.

In consultation with the Treasurer, Infrastructure Services is recommending that Council approve a transfer of \$23,910 in funding from number 31122.0000 (Engineering Services for the Reconstruction of Cardwell (Princess to Dufferin)).

Given the multi-year nature of these larger scale reconstruction initiatives, the shifting of funds between projects as this time can be reconciled within the updated budget for the construction components in future years.

In addition to this, it should be noted that the threshold for obtaining Council approval of additional funding is relatively low, given the increasing value of construction contracts. In an effort to promote efficiencies, while maintaining appropriate internal controls, staff will look to bring forward an update to the delegated authority for General Managers to authorize additional funding allocations to a higher value. These approvals would only be permitted where the increased costs remain within the department-wide capital budget for the current fiscal year and would be reviewed/approved in consultation with the Treasurer.

Respectfully Submitted,

Tim Kocialek, P.Eng., PMP
General Manager, Infrastructure Services

The Corporation of the Town of Orangeville

By-law Number 2023-

A by-law to confirm the proceedings of the Council of The Corporation of the Town of Orangeville at its closed and regular Council Meeting held on October 16, 2023

Whereas Section 5 (1) of the Municipal Act, 2001, as amended, provides that the powers of a municipal corporation shall be exercised by its council;

And whereas Section 5 (3) of the Municipal Act, 2001, as amended, provides that municipal powers shall be exercised by by-law;

Be it therefore enacted by the municipal Council of The Corporation of the Town of Orangeville as follows:

1. That all actions of the Council of The Corporation of the Town of Orangeville at its closed and regular Council Meeting held on October 16, 2023, with respect to every report, motion, by-law, or other action passed and taken by the Council, including the exercise of natural person powers, are hereby adopted, ratified and confirmed as if all such proceedings were expressly embodied in this or a separate by-law.
2. That the Mayor and Clerk are authorized and directed to do all the things necessary to give effect to the action of the Council of The Corporation of the Town of Orangeville referred to in the preceding section.
3. That the Mayor and the Clerk are authorized and directed to execute all documents necessary in that behalf and to affix thereto the seal of The Corporation of the Town of Orangeville.

Read three times and finally passed this 16th day of October, 2023.

Lisa Post, Mayor

Carolina Khan, Clerk
