"WHEREAS the current provincial-municipal fiscal arrangements are undermining Ontario's economic prosperity and quality of life;

Dear Honourable Doug Ford:

RE: Town of Lincoln Council Resolution – Urgent Need for Increased Funding to Libraries and Museums in Ontario

Please be advised that the Council of the Corporation of the Town of Lincoln at its Council Meeting held on February 26, 2024, passed the following motion regarding an Urgent Need for Increased Funding to Libraries and Museums in Ontario:

Resolution No: RC-2024-23

Moved by Mayor Easton; Seconded by Councillor Mike Mikolic

WHEREAS the provincial funding for public libraries is currently based on population levels from 25 years ago, which fails to reflect the substantial growth and changing needs of our communities. The Town of Lincoln Council wishes to draw your attention to the "Overdue" report of 2023 from the Canadian Urban Council, which emphasizes the pivotal role libraries play in various aspects of community life, including knowledge distribution, culture, health, reconciliation, belonging, and our democracy; and

WHEREAS libraries, situated at the heart of our communities, serve as multifaceted institutions catering to diverse needs. They provide essential services such as access to culture and information, refuge for those experiencing domestic violence, election information centers, job search facilities, health clinics, language learning centers for newcomers, and spaces for educational and community events. Despite their vital role, public libraries in Ontario have not seen an increase in provincial funding for over 25 years, leading to a decrease in the value of the province's investment by over 60%; and

WHEREAS the Town of Lincoln Council urges the Provincial Government to

consider increasing provincial funding for Ontario's public libraries to address critical shared priorities and community needs. While over 90% of library funding comes from local municipal governments, provincial operating funding is crucial for providing stability to library budgets, especially in times of inflation, technological changes, and increasing demands on libraries as community hubs; and

WHEREAS the Town of Lincoln Council would like to bring to the Provincial Government's attention the pressing need to increase the funding envelope for the Community Museum Operating Grant (CMOG). The Town of Lincoln currently receives \$25,000 annually, the maximum amount through this grant, but the funding envelope has remained stagnant for over 15 years. This limitation hampers the ability of community museums to offset increasing operational expenses, impacting their role in preserving and promoting local stories, attracting cultural tourists, supplementing school curriculum, and contributing to vibrant and vital communities; and

WHEREAS the Lincoln Museum and Cultural Centre is a community hub critical to the health and vibrancy of our community. An increase in CMOG funding will enable our museum to continue its valuable service to the community, creating a sense of place, attracting cultural tourists, and preserving local stories that define our unique identity; and

WHEREAS Cultural institutions, particularly museums, play a vital role in shaping and preserving our community's identity. They contribute to tourism, social participation, senior well-being, skill-building, and learning. As the largest government funder for most of Ontario's smaller museums, municipalities create value in their communities through the work of these institutions.

THEREFORE, BE IT RESOLVED THAT the Town of Lincoln Council urges the Provincial Government to support increasing funding to both public libraries and community museums. Recognizing these institutions as national assets and strategically investing in their potential will contribute significantly to renewing post-pandemic social cohesion, economic well-being, and community resilience; and

BE IT FURTHER RESOLVED THAT this resolution be circulated to the Province, the Minister of Tourism, Culture and Sport, Association of Municipalities of Ontario (AMO), the Niagara Region, the 12 Local Area Municipalities in Niagara and all municipalities of Ontario for endorsement.

WHEREAS the Accessibility for Ontarians With Disabilities Act (AODA) is ground-breaking legislation, created to help people with disabilities fully participate in society, bring them to the table in crafting regulations, and build mechanisms to enforce standards;

WHEREAS Rich Donovan, an expert in accessibility issues, was appointed as the Independent Reviewer of the Act in 2022, and in his 2023 legislative review declared a crisis as a necessary catalyst to get Ontario back on track for accessibility;

WHEREAS at least 2.9 million Ontarians currently live with a disability, representing at least 22% of the consumer base and the workforce, but due to barriers, Ontarians with disabilities are too often falling short of their full potential;

WHEREAS the AODA aims to develop, implement and enforce standards related to goods, services, accommodation, employment and buildings before Jan. 1, 2025, and municipalities, as the level of government closest to the people are at the front lines, developing, implementing and enforcing these standards without meaningful guidance on its implementation and/or enforcement by the Province;

WHEREAS people with disabilities and advocates note the slow pace of current and previous Ontario governments in implementing the AODA and there are growing concerns there will be no renewed push to keep accessibility issues at the forefront after 2025;

WHEREAS Loyalist Township is dedicated and committed to creating a welcoming environment so that all people may have equitable access to programs, goods, services and facilities, but making investments to achieve the AODA standards has been challenging given the lack of consistent and stable funding for municipalities to remove accessibility barriers;

THEREFORE BE IT RESOLVED THAT the Council of Loyalist Township strongly encourages action on the part of the Provincial Government to urgently:

- a) create a "Municipal Accessibility Fund" for municipalities to develop, implement and enforce AODA standards related to goods, services, accommodation, employment and buildings. Such a fund could be modeled after the Canada Community-Building Fund or the Ontario Cannabis Legalization Implementation Fund on a per household basis;
- b) to commit to working with municipalities to implement the Donovan Review immediate crisis recommendations;

AND FURTHER THAT a copy of this resolution be sent to Honourable Doug Ford, Premier of Ontario, Honourable Raymond Sung Joon Cho Minister of Seniors and Accessibility, Honourable Micheal Parsa, Minister of Children, Community, and Social Services, Honourable Sylvia Jones, Minister of Health, Honourable Paul Calandra, Minister of Municipal Affairs and Housing, the Federation of Canadian Municipalities, the Association of Municipalities of Ontario, and the Eastern Ontario Wardens Caucus, and all Ontario Municipalities for their support.

Motion carried.

AND WHEREAS the Township cannot afford to increase Water or Sewer rates to fund all of this infrastructure;

AND WHEREAS increased Debt to build the project will just increase costs to Water and Sewer rates, or increased costs to developers;

AND WHEREAS Loyalist Township is currently experiencing a housing crisis from all citizens;

AND WHEREAS Peak Flow Equalization and Headworks Upgrades at the Amherstview Water Pollution Control Plant are projected to accommodate 1889 new residential units to be completed, 607 which are shovel ready;

Re: Motion regarding Public Health Ontario Labs

Please be advised that at its regular meeting of April 23, 2024, Loyalist Township Council passed the following resolution:

Resolution 2024-94

Moved by Deputy Mayor Townend
Seconded by Councillor Willis

WHEREAS the mission of Public Health Ontario (PHO) is to "enable informed decisions and get actions that protect and promote health and contribute to reducing health inequities", there are grave concerns that the closure of six community-based PHO labs will increase health inequities, especially for rural communities; and

WHEREAS combined these labs collect and process thousands of water samples and time sensitive medical tests each day; and

WHEREAS there are grave concerns about the integrity of samples being compromised if travel time is increased by centralizing all tests to a few locations; and

WHEREAS these labs already process overflow tests and samples when labs such as Toronto and Ottawa cannot keep up to demand and many scaled up to meet demand during the COVID-19 pandemic; and

WHEREAS frequent drinking water testing services is vital for Ontarians who draw their water from private drinking water systems (i.e. wells) and protecting groundwater quality and quantity is a shared responsibility.

Dear Mayor and Members of Council,

The Multi-Municipal Energy Working Group (MMEWG) continues to actively follow the procurement processes the Independent Electricity System Operator (IESO) is undertaking to procure additional capacity to meet projected future energy needs. Details released regarding the Long-Term 2 Request for Proposals (LT2 RFP) plus subsequent LT RFPs has raised many concerns.

The IESO RFPs call for 5 TWh of new energy generation, and proposes that this be mostly derived from 2000 MW of new energy generation produced by mostly wind and solar by 2030. It further proposes that a portion of this generation could be derived by repowering on the current footprint of existing wind turbines that will reach their end of contract life between 2026 and 2034.

Since existence, the now Multi-Municipal Energy Working Group, formerly known as the Multi-Municipal Wind Turbine Working Group, has continued to advocate for stronger safety measures and best practices related to wind turbine installations across the province. To date, many of the concerns raised have not been addressed with the Ministry of Environment, Conservation and Parks confirmed in a recent IESO engagement session that no changes to the existing setbacks are planned.

Severe health effects to many residents living within the vicinity of project sites have been identified and continue to jeopardized the health and well-being of many residents. The current setbacks from other activities are not sufficient to protect against the full range of noise emissions from wind turbines. The MMEWG will be making a presentation on this topic to the Grey Bruce Public Health Unit in the March in an effort to bring these concerns to the forefront in advance of the repowering of current projects.

Public safety continues to remain a paramount concern of the MMEWG. Setbacks for tower collapse remain insufficient. The current blade length plus 10 metres requirement not a strong enough protective measure for existing projects let alone repowered turbines on existing footprints. Setbacks for ice throw are also insufficient, as the blade

length plus 10 metre setback is less than the ice throw distance witnessed in Ontario. Ontario has witnessed turbine fire and flaming debris on the ground at 200 metres, while setback was 50 metres. A Ministry review failed to recommend industry standard protective barriers for fire suppression in spite of examples of fires in similar turbines.

In 2013, 115 municipalities declared themselves "Unwilling Hosts" for wind turbine projects. With the expected surge in proposals given the ambitious procurement efforts being undertaken by the IESO, and little change in the regulations, the MMEWG strongly recommends that municipalities reaffirm their unwillingness to host projects until the appropriate ministries address the concerns and make stronger rules and regulations to ensure that, as municipal leaders, provide measures necessary for the health, safety and well-being of citizens within our jurisdiction, as mandated by the *Municipal Act, 2001, as amended*. Over the past month, the municipalities of Arran-Elderslie, Chatsworth and East Zorra-Tavistock have taken this step.

For consideration, a DRAFT declaration has been attached. Should your municipality declare its intention, please let us and we will continue to keep you apprised of any advancements in the industry and regulations.

Warm Regards,

p.p.

**Re: Northumberland Inter-Municipal Task Force on Housing and Homelessness motion re:
Funding Social Services**

At its meeting of April 25, 2024, Council considered the update brought forward by Councillor Rob Pope re: Northumberland Inter-Municipal Task Force on Housing and Homelessness motion re: Funding Social Service and passed the following motion:

Motion No. THC-240425-21

Moved by Councillor Rob Pope
Seconded by Councillor Daniel Giddings

Whereas Ontario is experiencing a housing crisis, with housing costs far exceeding affordable levels by any standard including in Northumberland County;

And Whereas the prevalence of homelessness is quickly increasing beyond the capacity of local governments to create new emergency, transitional, or affordable housing;

And Whereas homelessness is a condition that can largely be prevented with adequate resources, but that nonetheless puts an increasing number of residents at risk of considerable harm or death;

And Whereas insufficient housing and social services fail not only to provide for those experiencing homelessness, but also cause significant economic costs to lower and upper tier municipalities as well as to the province in the form of higher policing, first responder, healthcare, and economic development costs, among others;

And Whereas insufficient housing and social services fail not only to provide for those experiencing homelessness, but also cause significant social costs in communities that experience social estrangement, insecurity, and fear associated with increased crime and visible drug use, all of which causes considerable social and political unrest;

And Whereas the Province of Ontario dictates the requirement for social services including emergency shelters, but limits their operation through insufficient funding, thereby causing said economic and social costs at the upper and lower tiers of municipal governance;

And Whereas the municipalities of Northumberland County recognize our moral and legal obligation to provide adequate shelter and public safety for all residents, but are limited in our capacity to unilaterally do so by constrained finances;

Now therefore be it resolved that the Municipality of Trent Hills, along with other Northumberland County municipalities, call upon the Province of Ontario to significantly increase funding for housing, shelters, and other necessary social services to ensure adequate levels of service to meet the needs of our residents;

And that this resolution be forwarded to the Honourable Doug Ford, Premier of Ontario, to the Honourable Paul Calandra, Minister for Municipal Affairs and Housing, the Honourable David Piccini, Minister of Labour, Immigration, Training and Skills Development and MPP for Northumberland-Peterborough South, and to all Ontario municipalities.

Carried.

THE CORPORATION OF THE TOWN OF SMITHS FALLS
Regular Council Meeting

Resolution Number 2024-04-074

Title: Basic Income Guarantee

Date: Monday, April 8, 2024

Moved by J Miller

Seconded by P McKenna

WHEREAS, per Statistics Canada data, in 2020 the median after-tax household income in Smiths Falls was \$56,400, the lowest of any lower or single-tier municipality in Lanark County (Beckwith the highest, at \$107,000), and compared to \$77,000 for Lanark County as a whole;

WHEREAS, per the 2021 Census of Canada 1490 out of 9085 residents of Smiths Falls (16.4% of the total) lived in low income, based on the Low Income After Tax (LIM-AT) measure;

WHEREAS, of the 1490 Smiths Falls citizens living in low income in 2021, 120 of them were children five years old or younger, 215 of them were children between the ages of six and 17, and 365 of them were seniors aged 65 or over;

WHEREAS, the level of income is one of the most important social determinants of health, and relates to many other determinants including education and literacy, healthy behaviours, one's social environment, and employment and work conditions;

WHEREAS, low income is strongly correlated with a wide range of negative health outcomes, including heart disease, cancer, diabetes, and poor mental health, and with shorter life expectancies compared to higher income persons;

WHEREAS, the minimum wage in Ontario and the maximum amounts of financial support available through Ontario Works (OW) and the Ontario Disability Support Program (ODSP) are deeply insufficient to meet the basic needs of full-time minimum wage workers, or of individuals or families drawing OW or ODSP support;

WHEREAS, ongoing, widespread, and rapid changes in labour markets, including due to outsourcing, artificial intelligence, automation, and advance of the "gig" economy, are causing more and more people to be exposed to labour changes beyond their control, adding to their vulnerability to low income;

WHEREAS, basic income is a means by which individuals, families, and whole communities can be less vulnerable to negative changes in health, relationship or family status, and labour markets, and better able to navigate transitions and challenging circumstances;

WHEREAS, basic Income is money distributed to eligible people, regularly, reliably, and without work requirement, and which, absent other income, should meet basic human needs;

WHEREAS, basic income exists in Canada in the form of longstanding programs like the Canada Child Benefit and the Guaranteed Income Supplement for seniors, programs with demonstrated positive impacts on basic income recipients, economies, and our greater society;

WHEREAS, there is need to establish basic income security for working-age adults in Canada who, at present and in general, lack sufficient social protection against low income;

WHEREAS, there is a growing body of evidence that basic income is not a disincentive on the pursuit or retention of employment and that, further, basic income is more likely to support such pursuit or retention given its stabilizing effect in the lives of people;

WHEREAS, the gross cost of a basic income program is reduced to a net cost once various funding options are exercised and the fiscal benefits of basic income are realized (e.g., basic income as a local economic stimulus);

WHEREAS, Canada, one of the wealthiest nations in the world, has the fiscal capacity to support a

basic income guarantee for working-age adults;

WHEREAS, the call for basic income in Canada has been and is being made by public health authorities, including the Leeds, Grenville and Lanark District Health Unit per its November 2023 report on food insecurity within the health region;

WHEREAS, the call for basic income in Canada has been and is being made by many other interests, including a growing number of municipalities in Ontario and beyond, and by a range of provincial and federal parliamentarians;

WHEREAS, a 2022 national public opinion poll suggests that six in 10 adults in Canada support the concept of basic income;

AND WHEREAS, the Town of Smiths Falls wishes to add its municipal voice to the call for a basic income guarantee for working-age adults in Canada.

THEREFORE, BE IT RESOLVED:

- 1) That the Town of Smiths Falls supports the concept of a basic income guarantee for working-age adults to help combat low income and economic vulnerability within our community;
- 2) That the Town of Smiths Falls calls upon the federal and the provincial and territorial governments to collaborate on the design, introduction, implementation, and ongoing evaluation of a national basic income guarantee program for working-age adults;
- 3) That the Council of the Town of Smiths Falls directs the Mayor to write (a) a letter to Prime Minister Justin Trudeau, copy to relevant federal ministers and to Lanark-Frontenac-Kingston MP Scott Reid; and (b) a letter to Ontario Premier Doug Ford; copy to relevant provincial ministers and to Lanark-Frontenac-Kingston MPP John Jordan, calling on these orders of government to collaborate on the design, introduction, implementation, and ongoing evaluation of a national basic income guarantee program for working-age adults;
- 4) That the Council of the Town of Smiths Falls directs the Mayor to write a letter to each of the Mayor's counterparts in the lower-tier municipalities in Lanark County, encouraging each municipality to also pass a resolution similar to that adopted by the Town of Smiths Falls;
- 5) That a copy of this resolution be shared with all other municipalities in Ontario, and with the presidents of the Eastern Ontario Mayors Caucus, the Eastern Ontario Wardens' Caucus, the Association of Municipalities of Ontario, the Rural Ontario Municipal Association, and the Federation of Canadian Municipalities.

Dear Premier Ford, Minister Khanjin, and Mr. Byers,

At the April 2, 2024, Town of South Bruce Peninsula Council meeting, the following resolution was passed:

R-111-2024

Whereas under Ontario Regulation 391/21: Blue Box, producers are fully accountable and financially responsible for their products and packaging once they reach their end of life and are disposed of, for 'eligible' sources only;

And whereas 'ineligible' sources which producers are not responsible for including businesses, places of worship, daycares, campgrounds, public-facing and internal areas of municipal-owned buildings and not-for-profit organizations, such as shelters and food banks;

And whereas should a municipality continue to provide services to the 'ineligible' sources, the municipality will be required to oversee the collection, transportation, and processing of the recycling, assuming 100% of the costs;

Therefore be it resolved that the Council of the Corporation of the Town of South Bruce Peninsula hereby request that the province amend Ontario Regulation 391/21: Blue Box, so that producers are responsible for the end-of-life management of recycling products from all sources;

And that Council hereby request the support of all Ontario municipalities;

And further that this resolution be forwarded to the Honourable Doug Ford, Premier of Ontario, the Honourable Andrea Khanjin, Minister of the Environment, Conservation and Parks, the Honourable Rick Byers, MPP Bruce-Grey-Owen Sound, and to all Ontario municipalities.

**Re: Time for Change
Municipal Freedom of Information and Protection of Privacy Act**

Please be advised the Council of the Municipality of Chatham-Kent at its regular meeting held on June 26, 2023 passed the following resolution:

WHEREAS the Municipal Freedom of Information and Protection of Privacy Act R.S.O. 1990 (MFIPPA) dates back 30 years;

AND WHEREAS municipalities, including the Municipality of Chatham-Kent, practice and continue to promote open and transparent government operations, actively disseminate information and routinely disclose public documents upon request outside of the MFIPPA process;

AND WHEREAS government operations, public expectations, technologies, and legislation surrounding accountability and transparency have dramatically changed and MFIPPA has not advanced in line with these changes;

AND WHEREAS the creation, storage and utilization of records has changed significantly, and the Municipal Clerk of the Municipality is responsible for records and information management programs as prescribed by the Municipal Act, 2001;

AND WHEREAS regulation 823 under MFIPPA continues to reference antiquated technology and does not adequately provide for cost recovery, and these financial shortfalls are borne by the municipal taxpayer;

AND WHEREAS the threshold to establish frivolous and/or vexatious requests is unreasonably high and allows for harassment of staff and members of municipal councils, and unreasonably affects the operations of the municipality;

AND WHEREAS the Act fails to recognize how multiple requests from an individual, shortage of staff resources or the expense of producing a record due to its size, number or physical location does not allow for time extensions to deliver requests and unreasonably affects the operations of the municipality;

AND WHEREAS the name of the requestor is not permitted to be disclosed to anyone other than the person processing the access request, and this anonymity is used by requesters to abuse the MFIPPA process and does not align with the spirit of openness and transparency embraced by municipalities;

AND WHEREAS legal professionals use MFIPPA to gain access to information launch litigation against institutions, where other remedies exist;

AND WHEREAS there are limited resources to assist administrators or requestors to navigate the legislative process;

AND WHEREAS reform is needed to address societal and technological changes in addition to global privacy concerns and consistency across provincial legislation;

BE IT RESOLVED THAT the Ministry of Government and Consumer Services be requested to review the MFIPPA, and consider recommendations as follows:

1. That MFIPPA assign the Municipal Clerk, or designate to be the Head under the Act;
2. That MFIPPA be updated to address current and emerging technologies;
3. That MFIPPA regulate the need for consistent routine disclosure practices across institutions;
4. That the threshold for frivolous and/or vexatious actions be reviewed, and take into consideration the community and available resources in which it is applied;
5. That the threshold for frivolous and/or vexatious also consider the anonymity of requesters, their abusive nature and language in requests to ensure protection from harassment as provided for in Occupational Health and Safety Act;
6. That the application and scalability of fees be designed to ensure taxpayers are protected from persons abusing the access to information process;
7. That administrative practices implied or required under the Act, including those of the IPC, be reviewed and modernized;
8. That the integrity of the Act be maintained to protect personal privacy and transparent governments.

RE: Town of Goderich Resolution – Review of the Ontario Works and Ontario Disability Support Program Financial Assistance Rates

Dear C. Blumenberg,

Please be advised of the following motion passed at the Monday, March 18, 2024, Goderich Town Council Meeting:

Moved By: Councillor Segeren

Seconded By: Councillor Kelly

WHEREAS poverty is taking a devastating toll on communities, undermining a healthy and prosperous Ontario, with people in receipt of Ontario Works and Ontario Disability Support Program being disproportionately impacted;

WHEREAS the cost of food, housing, medicine, and other essential items have outpaced the highest inflation rates seen in a generation;

WHEREAS people in need of social assistance have been legislated into poverty, housing insecurity, hunger, poorer health, their motives questioned, and their dignity undermined;

WHEREAS Ontario Works (OW) Financial Assistance rates have been frozen since 2018 (\$733 per month);

WHEREAS Ontario Disability Support Program (ODSP) benefit rates have been increased by 6.5 percent as of July 2023 to keep up with inflation, however even with the increase, ODSP rates still fall below their value in 2018 (\$1,376 when adjusted for inflation) and significantly below the disability-adjusted poverty line (\$3,091 per month);

WHEREAS OW and ODSP rates do not provide sufficient income for a basic standard of living and, as a result, hundreds of thousands of people across Ontario who rely on these programs live in poverty;

WHEREAS designated Service Managers are doing their part, but do not have the resources, capacity, or tools to provide the necessary income and health-related supports to people experiencing poverty; and

WHEREAS leadership and urgent action is needed from the Provincial Government to immediately develop, resource, and implement a comprehensive plan to address the rising levels of poverty in Ontario, in particular for those on Ontario Works and Ontario Disability Support Programs;

THEREFORE BE IT RESOLVED THAT the Town of Goderich requests the Provincial Government to urgently:

1. At least double Ontario Works and ODSP rates and index rates to inflation, answering calls already made by “Raise the Rates” campaign and the “Income Security Advocacy Centre”;
2. Commit to ongoing cost of living increases above and beyond the rate of inflation to make up for the years they were frozen;
3. Commit to jointly working between the Ministry of Children, Community, and Social Services and the Ministry of Health on the best methods of assessing client needs and then matching those in need to the services they require;

AND FURTHER THAT a copy of this resolution be sent to the Minister of Children, Community, and Social Services, the Minister of Health, the Minister of Municipal Affairs and Housing, the Association of Municipalities of Ontario, the Ontario Municipal Social Services Association, Huron County Social and Property Services, the Western Ontario Wardens Caucus, and all Ontario Municipalities.
